RE: Warehouse License - Request for Temporary Authority
Demeter (1993) Inc. dba Viterra

Demeter (1993) Inc. dba Viterra, filed a license application to operate a 211,000-bushel grain warehouse at Minot, North Dakota that was recently purchased from Premier Pulses International, Inc. This facility was empty and there are no outstanding storage obligations. Premier Pulses International, Inc. will retain their grain warehouse license for the facilities that are located at a different site.

Statutory compliance has been met and Staff recommends that the license be issued to Demeter (1993) Inc. dba Viterra at Minot, North Dakota, effective immediately, and that this action be noticed on the Commission's Agenda.

Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.

Temporary authority authorized.

Commissioner  _____.

Date: 06/27/2011.
