**RE: Case No. PU-11-327: Enbridge Pipelines (North Dakota) LLC  
Station  
Siting Exclusion Certification**

Dear Mr. Horton,

Thank you for your June 27, 2011 letter notifying the Commission that Enbridge Pipelines (North Dakota) LLC (Enbridge ND) intends to make upgrades and modifications to its Stanley Station in Williams County and its Beaver Lodge Station in Mountrail County, North Dakota.

This letter is to acknowledge that Enbridge ND has certified, under North Dakota Century Code section 49-22-03(3) that (1) Enbridge ND will construct and develop facilities at its Stanley and Beaver Lodge Stations, located in Mountrail and Williams County North Dakota respectively, most recently under Certificates of Corridor Compatibility and Route Permits issued by the North Dakota Public Service Commission on May 18, 2011 in Docket No. PU-10-613; (2) the construction activities shall take place upon land owned in fee by Enbridge and shall be restricted to the geographical location and within the man-made boundaries at Stanley and Beaver Lodge Stations; (3) no additional lands have been acquired adjacent to the existing Enbridge facilities and that any additional lands acquired adjacent to existing Enbridge facilities were captured and properly sited pursuant to Docket No. PU-10-613; (4) the construction activities to take place will not affect any known exclusion or avoidance area; and (5) Enbridge will comply with the reasonable requests of the Commission in executing construction at Stanley and Beaver Lodge Stations, including attending a Preconstruction Conference Call with Commission staff, informing the Commission of the start date of construction, submitting weekly reports on construction, providing

copies of all applicable permits, and construction and operating the facility in accordance with applicable safety requirements.

If you have questions, please contact me.

Best regards
