dba Dakota Prairie Organic Flour Company

The Commission received notice on June 6, 2011, that the grain insurance for Earth Harvest Mills, Inc. dba Dakota Prairie Organic Flour Company was scheduled to expire on August 5, 2011. The licensee thought he had until August 5, 2011, to obtain a replacement insurance policy. Therefore, a replacement policy was not timely filed and grain warehouse license number 1155 issued to Earth Harvest Mills, Inc. dba Dakota Prairie Organic Flour Company was suspended effective July 7, 2011. Earth Harvest Mills, Inc. dba Dakota Prairie Organic Flour Company had until August 5, 2011, to procure and file proof of new or renewed insurance or submit a written request for hearing.

On August 1, 2011, the Commission received proof of a replacement insurance policy. Staff recommends that the warehouse license issued to Earth Harvest Mills, Inc. dba Dakota Prairie Organic Flour Company be reinstated effective August 1, 2011.
