Cara,

Thanks for forwarding a copy of the extension request. We have reviewed this extension and Northern Plains Electric Cooperative will not protest Otter Tail's planned service to this account.

Subject: Temporary Authority Permit

Please find attached a request from Otter Tail Power Company for temporary authority to extend electric services to Keith Drake in Eddy County, North Dakota.

Please review this request as soon as possible and let me know whether the Cooperative will protest the application.

Thank you for your attention in this matter.
