Public Convenience & Necessity

Case No. PU-11-396

**NOTICE OF CONSOLIDATED
HEARING**

October 26, 2011

On July 7, 2011, Montana-Dakota Utilities Co. (MDU) filed an application for advance determination of prudence to construct, own, and operate an 88 MW simple cycle combustion turbine, Case No. PU-11-395. Also on July 7, 2011, MDU filed an application for certificate of public convenience and necessity to construct, own, and operate the same 88 MW simple cycle combustion turbine, Case No. PU-11-396.

A public hearing on these cases will be held beginning January 10, 2012 at 9:00a.m. in the Commission Hearing Room, State Capitol, 12th Floor, Bismarck, North Dakota 58505. You can listen to a broadcast of the hearing on the Commission's website at <http://www.psc.state.nd.us/psc/media/comm-live.html>.

The issue to be considered in Case No. PU-11-395 is whether the resource addition is prudent.

The issues to be considered in Case No. PU-11-396 are:

1. Whether public convenience and necessity will be served by construction, ownership and operation of the facility.
2. Whether the applicant is fit, willing and able to provide service.
