Subject: Close-out of Contract No. AM-615-11 for sinkhole filling under AML's 2011 Maintenance Project

On October 12, 2011, the Commission awarded Contract AM-615-11 to Basaraba Excavating and Dirt Works, L.L.C., of Wilton to fill dangerous sinkholes caused by underground mine collapse at sites near Burlington, Noonan, Hanks, Beach, Haynes, Dickinson, Richardton, New Salem, Parshall, Garrison, Wilton and Washburn. The end date for this contract was June 30, 2012. Work under this contract has been completed and the contract can now be closed out.

Work under on this project began October 31, 2011 and work at the last site was completed March 30, 2012. Approximately 158 dangerous sinkholes were filled. Bill Dodd managed the project and he found the work was performed satisfactory and all invoices have been paid. The contract amount was \$170,000.00 and the total invoiced for the work performed was \$153,520.50.

Attached is a motion for the July 11, 2012, Commission meeting to close Contract AM-615-11.
