SUBJECT: Thunder Spirit Wind Energy Project, Adams County, ND (Case No. PU-11-601)

Dear Mr. Nitschke,

On behalf of Global Winds Harvest, please find an original and 10 copies of the Revised Amendment to the Application for a Certificate of Site Compatibility for the Thunder Spirit Wind Energy Project for filing in Case No. PU-11-601.

After submission of the Certificate and subsequent Amendment, additional modifications to the layout were necessary to avoid some potentially eligible cultural sites and to adhere to new exclusion and avoidance setbacks administered by the PSC. This Amendment will summarize the changes to the impacts as discussed in the Certificate submitted on June 4, 2013.

Please feel free to contact me at (617) 443-7552 or Tracey.Dubuque@tetratech.com if you have any questions. We look forward to your comments.

Sincerely,

TETRA TECH, INCORPORATED
