**Subject:** Enbridge Little Muddy Station--Case #PU-11-606

On May 14 Enbridge filed a request for approval of a route deviation in the above case. Enbridge hereby withdraws its request for the deviation. Initially, a landowner in the approved route would not sign an easement, preferring a lease agreement of limited duration. However, after further discussion the landowner has agreed to an easement. As a result, the route deviation will not be needed.

Thank you for your attention to this matter and to the Commission staff for their diligent work on this project.
