RE: Discontinue Business - Request for Temporary Authority
Barlow Grain

The Licensing Division received a Request to Discontinue Business from Barlow Grain for grain warehouses at Barlow and Bremen, North Dakota. There are no outstanding storage obligations. Barlow Grain merged into Allied Energy, Inc. and a license application is pending.

Barlow Grain asked that the request to discontinue business be approved effective immediately. I recommend the request be approved effective immediately, and that this action be noticed on the Commission's agenda.

Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.

Temporary authority authorized.

Commissioner  _____.

Date: 09/15/2011.
