Dear Cara – In the matter of the applications for temporary electric service by Otter Tail Power Company, listed as follows:

1. Mike Whitmore, 13498 12th St. SE, Hope, ND; NE ¼ Sec 4, T143N R55W of Cass County, for a proposed grain bin site

Cass County Electric will not protest this application, but reserves the right to comment on the request for permanent service authority by OTP. Please send notification for those comments when appropriate.

Also please note for the record that the location listed on the first page of the attached application is not correctly stated. The township is listed at T144; it should be T143 as correctly shown on the second page of the application. Additionally, please correct Mr. Brandt's title to Design/Construction Supervisor (not Line Superintendent).

Cass Electric will note in the application for permanent electric service that this agreement is strictly limited to this account and cannot and will not be construed to be used for other situations that may arise in the future.

If you have any questions, please contact me at your convenience.

Sincerely,
