RE: North Dakota State Water Commission Devils Lake East End Outlet

At its February 15, 2012 meeting, the Commission issued its Order in Case No. PU-11-654 dismissing Nodak Electric Cooperative's complaint against Otter Tail Power Company concerning electric service to the North Dakota State Water Commission's Devils Lake East End Outlet project. The case was dismissed under the parties' stipulation for dismissal.

The Commissioners are concerned that service will be provided to the Devils Lake East End Outlet project and request that you respond in writing identifying which entity will provide electric service, when electric service will be provided, and whose distribution facilities will be used to provide electric service.

Please provide this information by February 29, 2012. If you have any questions, feel free to contact me.

Sincerely

Patrick Fahn  
Compliance and Competitive Markets
