RE: Change of Address
Glen Ullin Energy Center Wind Project
Docket Number PU-11-662

Dear Mr. Kahl,

We are writing to update the contact information on file with the Commission for our Glen Ullin Energy Center wind project, which became fully operational in December 2019. We now have a site manager with primary responsibility for the operations of the project.

Please direct any correspondence regarding the project as follows:

Blue Nalder
Wind Site Manager
Glen Ullin Energy Center
6043 30th St. SW
Glen Ullin, ND 58631
Phone: (801) 589-5293

Thank you and please let us know if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "William Sawyer".

William Sawyer
General Manager – Operations
