**NDSHPO REF.: 12-0025 PSC "Heskett Station Natural Gas Pipeline Project: A Class III Cultural Resource Inventory in Morton County, North Dakota"**

Dear Mr. Hennen:

We reviewed NDSHPO REF.: 12-0025 PSC "Heskett Station Natural Gas Pipeline Project: A Class III Cultural Resource Inventory in Morton County, North Dakota" and found the report acceptable. If consulted by a federal agency, we would concur with a "No Historic Properties Affected" determination, provided the project remains as described and mapped in the above-captioned report, and "No Significant Sites Affected" at the state level. This is provided that sites 32MO1362, 32MO1364, 32MO1072 are avoided by the project, as stated in the report.

Thank you for the opportunity to review this project. If you have questions please contact Susan Quinnell at [squinnell@nd.gov](mailto:squinnell@nd.gov) or (701) 328-3576.

Sincerely,

Merlan E. Paaverud, Jr.  
State Historic Preservation Officer (North Dakota)
