Morton County Parcel Number: 41-0060000 (Home) and 41-0065000 (Garages)
Dean A Beehler
2087 38th Street
Mandan, ND 58554

Dear Mr. Beehler:

Montana-Dakota Utilities Co. (Montana-Dakota) has proposed the Heskett Station Natural Gas Pipeline Project to supply the natural gas requirements for the proposed 88 megawatt Simple Cycle Combustion Turbine generating facility which is to be located adjacent to the existing Montana-Dakota Heskett Generating Station power plant, approximately two miles north of Mandan. The proposed Heskett Station Natural Gas Pipeline will traverse south to north, approximately 24 miles, through Morton County, connecting the proposed Heskett Station facilities with the Northern Border interstate transmission pipeline at a point approximately four miles northwest of the City of St. Anthony. The proposed route is depicted on the attached map.

In accordance with Section 49-22-05.1 of the North Dakota Century Code (NDCC) and Chapter 69-06-08-02(2)(e) of the North Dakota Administrative Code (NDAC), residences or businesses within five hundred feet of the proposed pipeline are designated as "avoidance areas" and should be avoided unless there is no reasonable alternative. However, the five hundred foot avoidance area criteria may be waived by the owner of the residence or business.

Although the proposed pipeline does not cross your property, the proposed Heskett Station Natural Gas Pipeline will be located within five hundred feet of your home.

By signing below, you confirm that you have no objection to the installation of Montana-Dakota's proposed pipeline and hereby agree to waive the five hundred foot avoidance criteria as set forth in NDCC Section 49-22-05.1 and Chapter 69-06-08-02(2)(e) of the NDAC. **Please return this signed letter in the enclosed self-addressed, stamped envelope on or before March 18, 2013 and keep the enclosed copy for your files.**

I have no objection to the proposed Heskett pipeline as shown on the accompanying map:

VIA HAND DELIVERY

Morton County Parcel Number: 23-0150000 (Home)
Scott A and Sheila M Ressler
4963 County Road 82
Mandan, ND 58554

Dear Mr. and Mrs. Ressler:

Montana-Dakota Utilities Co. (Montana-Dakota) has proposed the Heskett Station Natural Gas Pipeline Project to supply the natural gas requirements for the proposed 88 megawatt Simple Cycle Combustion Turbine generating facility which is to be located adjacent to the existing Montana-Dakota Heskett Generating Station power plant, approximately two miles north of Mandan. The proposed Heskett Station Natural Gas Pipeline will traverse south to north, approximately 24 miles, through Morton County, connecting the proposed Heskett Station facilities with the Northern Border interstate transmission pipeline at a point approximately four miles northwest of the City of St. Anthony. The proposed route is depicted on the attached map.

In accordance with Section 49-22-05.1 of the North Dakota Century Code (NDCC) and Chapter 69-06-08-02(2)(e) of the North Dakota Administrative Code (NDAC), residences or businesses within five hundred feet of the proposed pipeline are designated as "avoidance areas" and should be avoided unless there is no reasonable alternative. However, the five hundred foot avoidance area criteria may be waived by the owner of the residence or business.

Although the proposed pipeline does not cross your property, the proposed Heskett Station Natural Gas Pipeline will be located within five hundred feet of your home.

By signing below, you confirm that you have no objection to the installation of Montana-Dakota's proposed pipeline and hereby agree to waive the five hundred foot avoidance criteria as set forth in NDCC Section 49-22-05.1 and Chapter 69-06-08-02(2)(e) of the NDAC. **Please return this signed letter in the enclosed self-addressed, stamped envelope on or before March 18, 2013 and keep the enclosed copy for your files.**

I have no objection to the proposed Heskett pipeline as shown on the accompanying map:

Dear Mr. and Mrs. Kuhn:

Montana-Dakota Utilities Co. (Montana-Dakota) has proposed the Heskett Station Natural Gas Pipeline Project to supply the natural gas requirements for the proposed 88 megawatt Simple Cycle Combustion Turbine generating facility which is to be located adjacent to the existing Montana-Dakota Heskett Generating Station power plant, approximately two miles north of Mandan. The proposed Heskett Station Natural Gas Pipeline will traverse south to north, approximately 24 miles, through Morton County, connecting the proposed Heskett Station facilities with the Northern Border interstate transmission pipeline at a point approximately four miles northwest of the City of St. Anthony. The proposed route is depicted on the attached map.

In accordance with Section 49-22-05.1 of the North Dakota Century Code (NDCC) and Chapter 69-06-08-02(2)(e) of the North Dakota Administrative Code (NDAC), residences or businesses within five hundred feet of the proposed pipeline are designated as "avoidance areas" and should be avoided unless there is no reasonable alternative. However, the five hundred foot avoidance area criteria may be waived by the owner of the residence or business.

Although the proposed pipeline does not cross your property, the proposed Heskett Station Natural Gas Pipeline will be located within five hundred feet of your business.

By signing below, you confirm that you have no objection to the installation of Montana-Dakota's proposed pipeline and hereby agree to waive the five hundred foot avoidance criteria as set forth in NDCC Section 49-22-05.1 and Chapter 69-06-08-02(2)(e) of the NDAC. **Please return this signed letter in the enclosed self-addressed, stamped envelope on or before March 18, 2013 and keep the enclosed copy for your files.**

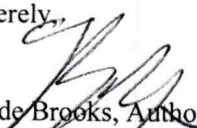

I have no objection to the proposed Heskett pipeline as shown on the accompanying map:

Date: 5-2-13 Printed Name: Company Foreman for Owner

Signed: For Kuhn Cattle Co Daniel Kuhn

If you have any questions, please feel free to contact me at 763-248-9430. Your timely response and cordial cooperation is much appreciated.

Sincerely,

Wayde Brooks, Authorized Agent for Montana-Dakota
