Andrea,

I have attached aerial views showing 3 ND State Mineral tracts in 154-103-6 Lots 6 & 7 (W2SW) and 154-103-7 NE4 as well as 155-103-28 SE4 within the proposed Oneok pipeline corridor. I did not receive a view of your proposed pipeline, but we would ask that your route avoid these tracts.

Thank you for your consideration and let me know if you have any questions.

Diane
