RE: Case No. PU-11-685: Application and Amendment to Application for
Permanent Authority to Extend Service to Brunno Kinzler at Monango, ND

Dear Sir or Ma'am:

I am general counsel for Dakota Valley Electric Cooperative and am writing this letter on its behalf. I am in receipt of Montana-Dakota Utilities Co.'s (Montana-Dakota) Application for Certificate for Public Convenience and Necessity dated November 30, 2011, and the Amendment to said Application dated December 14, 2011. The Amendment indicates that Montana-Dakota's request is to provide three-phase service to Brunno Kinzler's grain facility site located in Sec. 3, Twp. 131N., Rge. 63W. located in Dickey County, North Dakota.

To that extent, Dakota Valley Electric Cooperative has NO OBJECTION to the Application and Amended Application as referenced herein. Please accept this letter as notice of the same. It is Dakota Valley Electric Cooperative's understanding that while the Cooperative will retire and remove its existing separate service to the grain facility site to accommodate the transfer of this load to Montana-Dakota, the Cooperative will continue to provide single phase service to the David Kinzler residence located in Sec. 10, Twp. 131N., Rge. 63W. located in Dickey County, North Dakota, as well as the shop that is located in Sec. 3, Twp. 131N., Rge. 63W. Currently, both facilities are located on the same meter and it is our understanding that said service will remain as is and untouched as part of this process.

If you have any questions or concerns, or need additional information, please do not hesitate to contact me.

Thank you.

Sincerely,
RADERMACHER LAW FIRM, PC
