DEC 30 2011

Public Service Commissioners:

PUBLIC SERVICE COMMISSION

Enclosed are the most recent propane training expenses for the City of Granville. We have recently hired on a part time helper that will also be attending training, as schedules permit. He will train in the basic areas, and will start the online courses through, EnergyU, after the first of the year.

We will keep you updated, as new costs occur throughout the start of 2012.

Thank you,

Karlain Drader
City of Granville
Maintenance Superintendent

Also Enclosed is Cathodic Protection Survey of Entire system. As you will notice, several wires were found in need of repair and scheduled to repair first thing in the spring. (as ground thaws)

Thank you.
