

ACKNOWLEDGMENT AND WAIVER

This agreement made this 11th day of JULY, 2013.

WHEREAS, Basin Electric Power Cooperative is developing an overhead 345kV transmission line project ("Project") to be located in McKenzie County, North Dakota;

WHEREAS, the North Dakota Energy Conversion and Transmission Facility Siting Act provides that areas within five hundred (500) feet of an inhabited rural residence must be designated avoidance areas and further provides that this requirement may be waived by the owner of the inhabited rural residence in writing;

WHEREAS, Ms. Joyce Orf wishes to grant a Waiver to Basin Electric Power Cooperative to allow them to place the transmission line within 500 feet of an occupied rural residence.

The following is acknowledged:

1. Joyce Orf is the owner of real property in the S ½ of Section 18-T146-R98; McKenzie County; North Dakota.
2. Joyce Orf acknowledges that N.D.C.C. § 49-22-05.1 provides that, "Except for transmission lines in existence before July 1, 1983, areas within five hundred feet of an inhabited rural residence must be designated avoidance areas."
3. Joyce Orf further acknowledges that this avoidance area requirement may be waived by the owner of the inhabited rural residence in writing.
4. Joyce Orf agrees to Basin Electric Power Cooperative locating an overhead 345kV transmission line within five hundred feet of an inhabited rural residence in the area of land described above.

Joyce Orf:

Herbert Turner and Edna Turner, husband and wife, being duly sworn deposes and states as follows:

1. That we are the owners of a house located on a parcel of land known as Lot 2, Block 2 Berger First Subdivision (#735984), Township 153 North, Range 101 West, Section 6 in Williams County, North Dakota.
2. That we are aware of the proposed location for Basin Electric Power Cooperative's 345-kV AVS to Tande transmission line project, which will be less than 500 feet from the location of our house which is located on the above parcel of land.
3. That N.D.C.C. § 49-22-05.1 provides that, "Except for transmission lines in existence before July 1, 1983, areas within five hundred feet of an inhabited rural residence must be designated avoidance areas. The 500 foot avoidance area criteria for an inhabited rural residence may be waived by the owner of the inhabited rural residence in writing."
4. We hereby agree to the location of Basin Electric Power Cooperative's 345-kV transmission line which is less than 500 feet from our house. Further, we waive any rights that we might otherwise have to protest or contest such location.

5. Basin Electric agrees that the centerline of the transmission line shall not be located any closer than 400 feet from the northwest corner of the Turner residence.

Dated this 30th day of August, 2013.
