EXPERT WITNESS DISCLOSURE

Midcontinent Communications (“Midcontinent”), in accordance with the Revised Scheduling Order in the above-referenced proceeding, hereby provides its expert witness disclosure.

Midcontinent plans to present expert testimony from two witnesses, Timothy J. Gates and Jon Pederson. The following is the information concerning these witnesses.

Timothy J. Gates

Mr. Gates is Senior Vice President, QSI Consulting, Inc. His address is 10451 Gooseberry Court, Trinity, Florida 34655. His telephone number is (727) 372-5599.

Mr. Gates has not yet prepared a report concerning his testimony, as it will be based in large part on the discovery responses to be provided by Missouri Valley. In general, Mr. Gates will testify as an expert witness on issues relating to appropriate compensation for interconnection and for the exchange of traffic; on the extent to which bill and keep compensation is appropriate for the exchange of local traffic; on implementation times for interconnection and number portability; on appropriate transition periods for cutting over customers from resale to facilities-based service; on appropriate terms for transitional

compensation to Missouri Valley; and on the impact of recent changes in the rules governing universal service and intercarrier compensation on transitional compensation to Missouri Valley; and on other matters relating to the implementation of interconnection, number portability and traffic exchange. Mr. Gates will discuss the reasons why Midcontinent's proposals concerning these matters are reasonable and should be adopted by the arbitrator.

A resume for Mr. Gates is attached. It includes a list of cases in which he has testified during the previous four years.

Midcontinent purchases consulting service from QSI, including the services of Mr. Gates, on an hourly basis. The hourly rate varies from \$225 to \$300 depending on the number of hours billed in any given month.

Jon Pederson

Mr. Pederson is Vice President of Technology of Midcontinent. His address is 410 South Phillips Avenue, Sioux Falls, South Dakota 57104. His telephone number is (605) 357-5714.

Mr. Pederson has not yet prepared a report concerning his testimony, as it will be based in large part on the discovery responses to be provided by Missouri Valley. He will be testifying as an expert witness on technical interconnection issues. The specific topics on which Mr. Pederson will be testifying will depend on the extent to which the parties can reach agreement on technical interconnection questions prior to the hearing, but at this time the topics would include appropriate forms of interconnection for transmission of local traffic, capacity requirements; appropriate locations for interconnection facilities; and on appropriate transition periods for cutting over customers from resale to facilities-based service.

Mr. Pederson has an AS in Computer Programming from Southeast Technical Institute and a BS in Psychology from Augustana College. He began his career as an Intern with Midcontinent in 1987 was named Vice President of Technology in 2007. He oversees all

engineering and construction including phone and data networking, Business Solutions engineering, and all central technical systems and infrastructure, insuring those systems are always available to the customer. Mr. Pederson has served as Director of Technical Services and Director of Network Services, among other positions for Midcontinent. He designed and implemented MidcoNet Internet services and Midcontinent's digital phone product, and established the Network Operations Center. He is responsible for creating the first metropolitan fiber network in the city of Sioux Falls and implementing the first cable modem system in the upper Midwest.

Mr. Pederson has not previously testified as an expert before any tribunal or in any deposition.

Mr. Pederson is not being compensated separately for his testimony in this proceeding.

Midcontinent will supplement this disclosure when any expert reports are completed.

Biography

Mr. Gates is a QSI partner and currently serves as Senior Vice President, managing some of QSI's largest clients. Before joining QSI, Mr. Gates held key management positions over a 15-year period with MCI, Inc.'s Law and Public Policy Group. Mr. Gates has focused on telecommunications issues ranging from costing, pricing, alternative forms of regulation, local entry, and universal service to strategic planning, legislation, and merger and network issues over a telecommunications career spanning 25 years. He has extensive experience working with attorneys, analysts, external consultants, regulators, lobbyists, and company executives on issues associated with the convergence of competition, technologies, services, and companies. Mr. Gates has developed policy positions and advocated those positions before regulatory commissions and legislatures across the nation. During his tenure with MCI, Mr. Gates managed its many external consultants and the associated budget. He has testified in more than 200 proceedings in 47 states and Puerto Rico and before the FCC and the Department of Justice. Mr. Gates is widely recognized in the telecommunications industry as one of the most talented witnesses and witness trainers.

Before joining MCI, Mr. Gates was employed by the Texas Public Utility Commission as a Telephone Rate Analyst in the Telecommunications Division's Engineering Department. Prior to joining the Texas staff, Mr. Gates was employed by the Oregon Public Utility Commission as an Economic Analyst in the Telecommunications Division. Mr. Gates also has experience in the energy industry, having worked with the Bonneville Power Administration (United States Department of Energy), where he was employed as a Financial Analyst. Mr. Gates also spent 10 years in the forest industry in the Northwest, where he held numerous positions of increasing responsibility for International Paper, Weyerhaeuser and the Oregon Department of Forestry.
