Subject: RE: NCEC v. NDPSC, 20130075

We have received your appellant's brief and appendix.

I note that your brief contains 2 paragraphs numbered 36. This will need to be corrected. In this instance, you may indicate one as 36.1 or 36 A, whichever you prefer, just so it is clear. Also please adjust your table of contents and table of authorities, if necessary to indicate the correct paragraphs.

Also I note that a copy of the Judgment has not been included in the Appendix. This document is required under Rule 30, N.D.R.App.P. Please add it to the end of your appendix, page numbered accordingly, and adjust your table of contents to reflect its inclusion.

With the inclusion of the judgment in your appendix, your appendix will be 173 pages long. Therefore, **please forward and additional \$36.50 by May 3, 2013.**

Lastly, I note a hard copy of your brief and appendix was also received. It is not necessary to send hard copies when e-filing your brief and appendix.

Please make the above requested corrections and submit your brief and appendix in their entirety together with proof of service on opposing counsel no later than **Wednesday, May 1, 2013**. When making the required corrections, no substantive changes may be made. You do not need to put amended or corrected on or brief or appendix.
