Subject: North Central Electric Coop., Inc. v. Public Service Commission, et al., Supreme Court No. 20130075

The conflicts submitted to date by the parties have eliminated all dates for oral argument. Dates that are available for oral argument at this time are: June 5, 10, and 11. We ask that you confer with each other as soon as possible to identify all dates that will work. If you are not able to or if the calendar needs to be finalized before I hear from you, it is our policy to schedule argument according to the Appellant's availability.

Counsel for the Appellant should also take this into account when preparing a reply brief, if any. A reply brief must be filed at least 5 days before argument.
