Re: Case No. GS-12-31.

As of July 6, 2016, the Commission has not received any payments from Shores Companies, Inc. to satisfy the \$2000 penalty assessed to it by the commission on November 28, 2012.

Due to the age of this case and the fact that Shores Companies, Inc. is no longer doing business in North Dakota, staff believes there is virtually no chance this will be paid.

Based on its investigation staff believes pursuing collection of this case is not likely to produce results and warrant the effort required and recommends the case be closed.
