Re: Magellan Midstream Partners, L.P.-Fargo Relocation Project (PU-12-042)

Ms. Cardwell,

E3 Environmental, LLC (E3) on behalf of Magellan Midstream Partners, L.P. (Magellan) provides this letter to certify that Magellan planted 8 trees in 2013; at this time 7 of these trees are surviving. Photos of the surviving trees are attached. Magellan has fulfilled its tree and shrub mitigation requirements. This is the last report regarding this matter.
