Re: Compliance Filing  
Customer Buyback Program Tariff Cancellation  
Case No. PU-12-052

Dear Mr. Nitschke:

Enclosed are an original and three copies of the compliance rate sheets for the North Dakota Electric Rate Book of Northern States Power Company, reflecting the cancellation of the Customer Buyback Program Tariff. The tariff cancellation was submitted on January 25, 2012.

The tariff was cancelled because it has not been used for the past 10 years, and we do not anticipate future activity with this program due to the fact that, unlike earlier years, there are now more wholesale energy resources available from the MISO energy market.

The cancelled tariff pages went into effect March 1, 2012.
