To the North Dakota Public Utilities Commission:

Attached is a copy of a letter sent to Anderson Seeds. I have informed them that I am exercising my option for a deferred sale contract as is stated in my contract. Thank you for your time and effort in getting the farmers paid.

Sincerely,

A handwritten signature in cursive script that reads "Derrick Enos".

We are still awaiting payment on our sunflowers that were delivered to your Durbin, ND plant. We are exercising the option to switch to a deferred sale contract as stated in our attached contract and would like payment as soon as possible in the 2012 year.

Sincerely,

Derrick Enos
