Re: Dirk O'Connor/DRO, Inc.

Dear Ms. Richter:

As I believe you are aware Anderson Seed has been less than forthcoming with documents to individual farmers. It is my understanding that the PSC itself has had difficulty obtaining complete records.

I have a question regarding documentation for my client referenced above. Based upon the records kept by Anderson Seed and which were to be filed with the PSC, did Anderson Seed collect the .002% assessment pursuant to North Dakota law for a credit sales contract on the contract between itself and DRO?

Also, is the PSC's rejection of DRO's claim a rejection any indemnity fund claim or an outright objection to any claim at all?

Sincerely,

Michael L. Gust
