Tim,

I looked through all of our tickets for the month of Oct. 2011. There wasn't any numbers that matched in your first group. I have the following information on the second group.

23204- Anderson paid \$2.20 per hundred , net weight 57,820, received \$1,272.04

23219- Anderson paid \$2.46 per hundred, net weight 59,160, received \$1,455.34

23221- Anderson paid \$2.46 per hundred, net weight 55,440, received \$1,363.82

Hope this helps,

Tammy

Subject: Anderson Seed Freight Rates

Hi, I spoke with John regarding freight rate information related to Midwest Co-op/CHS. I am requesting the freight rate for the following.

CHS Inc. Midwest Cooperatives Ladings as follows;

5017375- 10/24/11- no destination indicated- 574.2 gross cwt

5017381 – 10/26/11 – destination Durbin – 588.6 gross cwt

5017391 – 10/31/11 – destination Durbin – 554.6 gross cwt

5017394 – 11/02/11 – destination Mentor – 581.4 gross cwt

Anderson Seed scale ticket numbers issued at Durbin- which probably correlate to the above lading numbers.

23204 – 10/21/11 – issued to Midwest Co-op- 564.32 net cwt- request gross weight & freight rate- does this correlate to any of the above CHS ladings?

23219 – 10/27/11 – Midwest Co-op – 580.95 net cwt- is this the 5017381 CHS lading above?

23221 – 11/01/11 – Midwest Co-op – 484.55 net cwt- is this the 5017391 CHS lading above?

Thank you, Tim Erdmann, Grain Warehouse Inspector, NDPSC

DELIVERY October 2011 to January 2012. Even spread BUYERS CALL. CROP 2011

- I. This is a contract between ASC and Grower whereby ASC agrees to buy from Grower and Grower agrees to sell to ASC 1,500,000 pounds at 15,000.00 cwt. of US grown edible seeds of the class to be sold are "BLACK OILS"
- II. ASC recommends and Grower agrees that acres at a minimum will be planted to deliver the above stated contracted pounds. Grower agrees not to contract with any third party for production so as to impair Grower's obligation to deliver the above stated pounds to ASC. In event Grower does so contract with a third party or parties, Grower(s) is obligated without excuse to deliver the total stated pounds contracted to ASC. Grower and ASC agree that, under the terms, standards and conditions of this contract, the following acreage will be planted by Grower to fulfill the terms, standards and conditions of the contract. Grower(s) further agrees not to contract or commit additional production from the following acreages without consent of ASC and the entire production will be delivered to ASC with the first deliveries applied to the fulfillment of the contract and with any additional deliveries marketed on the open market at the discretion of the Grower(s) within the terms of the warehouse receipts.
- III. If Grower's production on the acreage specified above in item II exceeds the pounds in item I, ASC will have the first right to purchase the excess production at the then prevailing price quoted by ASC.
- IV. Grower must notify ASC no later than July 15, 2011 that they have planted adequate acreage to fulfill delivery of total pounds stated in item I. Such notification will also include a legal description of the land where the sunflower acres are planted. After harvest grower must report total production and bin location.
- V. Grower agrees that all sunflowers produced under the terms of this contract shall be delivered to and marketed through ASC processing plants or one of its authorized receiving stations. This product is to be delivered to REDFIELD, SD.
- VI. The base price will be 70% at \$31.50, 60% at \$31.25, 50% at \$31.00, 40% at \$30.00 delivered to ASC receiving locations based on the above clauses and the terms, standards, and conditions outlined on page two.
- VII. Excused performance of this contract by either party shall be excused to the extent that performance is prevented by crop failure, fire, explosion, strikes or labor disputes, transportation shortages, government acts, regulations or orders, act of God or public enemy, or any other circumstances of similar nature beyond the reasonable control of the affected party which prevents in whole or in part, the performance of this contract; **PROVIDED HOWEVER**, that should any such event occur, either party must notify the other party within seven days of the event by certified mail, return receipt requested. In addition, the affected party shall provide the other party, within ten days of such notice, a complete written description together with copies of documents and such evidence as is available, concerning the circumstance that prevents the affected party's performance under this contract. (For purposes of this contract, "affected party" is defined to mean the party asserting the performance prevented.) For example, in case of crop failure, the Grower shall remain bound by the terms of this contract to deliver any crop in conformity with this contract that is not destroyed or ruined. Should be the resulting product be of lesser quality than the contract quality, ASC has the option to accept or reject the lower quality. Also, concerning crop failure, if ASC requests visual proof within ten days of receiving notice from Grower, as described above Grower shall show the damaged field(s) to ASC prior to altering the damaged field(s) by plowing, disking, field cultivating, etc. Failure to provide timely notice as stated above, and/or failure to comply with any terms or conditions of this contract, shall make null and void the excused performance provided herby, and, in such event, the terms, standards and conditions of the purchase contract shall control, but without this excused performance clause. **EXCUSE FROM PERFORMANCE OF THIS CONTRACT IS DEPENDENT UPON DELIVERY OF THIS NOTICE AND SUBJECT TO THIRD PARTY CONFIRMATION OR PHYSICAL INSPECTION OF LOSS. FCIC OR ANY OTHER AGENCY OR ENTITY CANNOT GIVE PERMISSION TO DESTROY THIS CONTRACTED ACREAGE WITHOUT CONSENT OF ASC.**
- VIII. Grower(s) represents that he/she is qualified to execute and perform this contract, and any other joint or joint lessee joins this contract.

HAVING FIRST READ AND UNDERSTOOD THE ABOVE AND "THE ADDENDUM; AND THE TERMS, STANDARDS, AND CONDITIONS, ACKNOWLEDGES HIS/HER ACCEPTANCE OF THE TERMS AND CONDITIONS OUTLINED HEREIN. ASC RESERVES THE RIGHT TO DEEM THIS CONTRACT AS NULL AND VOID IF IT IS NOT SIGNED AND RETURNED WITHIN TEN DAYS FROM THE DATE OF ISSUE LISTED ABOVE.

TERMS, STANDARDS AND CONDITIONS

1. All sunflowers will be purchased on a basis of net delivered weights and size based on an 8 over 64 slot, moisture and dark roast.
2. Any sunflowers delivered that do not meet the size standards will be subject to additional dockage and/or discounts received on a consignment basis.
3. ASC will accurately weigh and take representative samples of each load of sunflowers delivered and grade it according to ASC, buying schedule. ASC's weighing of the sunflowers shall be conclusive. A deduction from the gross weight of the sunflowers shall be made to cover excess moisture, dark roast, and foreign material. Seller shall be furnished a record of weight and grade of each load.
4. All sunflower seed raised by the Grower and delivered hereunder as acceptable merchantable seed shall; be field run (only excess dockage may be removed): contain 10% moisture or less; be sound, mature and bright colored; weigh at least 26lbs. per bushel; contain less than 1% sclerotinia and contain less than 12% dockage. Seed shall be free from admixtures of corn, beans, or together crops. Sunflower that does not conform to the specified quality may be discontinued or rejected in whole or part, at the sole discretion of the Company. Seed with more than 10% moisture will be subject to a drying charge plus moisture dockage or will be purchased a discount price. A discount price of 2% of the contract price will be taken for each percent of insect damaged seed over 5%. Additional discount may apply if the Company determines that insect damage is excessive. Seed with unmanageable levels of cocklebur or sclerotinia may be subject to rejection or price discount; Seed shall be pure and of edible quality and comply with F.D.A. standards for human consumption. Quality shall be determined by the laboratory of the Company.
5. Sunflower delivered under this contract will be subject to posted moisture shrink schedules at time of delivery.
6. Net weights will be all pounds delivered minus dirt, dust, foreign material, damaged or diseased sunflowers, small or off-color flowers, sticks, stones, weed seeds, and anything determined to not be a sound marketable sunflower, plus any applicable moisture shrink deduction.
7. Grower guarantees that sunflowers delivered shall be merchantable and will not be adulterated under the pesticide chemical provisions of applicable federal or state law. If the sunflowers do not meet grade, the amount paid per cwt will be on the basis of market discounts as determined by ASC. Any amounts of sunflowers exceeding the contract are the Grower's property, and he/she may elect to sell same on open market or store as they are delivered.
8. The contracted commodity shall be free from admixture of corn, soybeans and/or contrasting crops.
9. In the event that foreign materials such as metal, glass or plastics are found in the contracted commodity, it will be just cause for immediate rejection of the incoming load. Freight charge, if any, on rejected load is grower(s) responsibility.
10. All sunflowers accepted by ASC shall comply with all Federal, State, and local food and drug regulations. ASC will not accept any sunflowers containing contamination and/or does not meet the standards defined in the US Federal Food, Drug, and Cosmetic Act.
11. The grower shall receive payment for the portion of the Crop 30 days after delivery and acceptance in accordance with the terms and conditions of this contract. No sunflower oil premiums will be paid, and no oil discounts will be taken.

IX. Grower Agrees:

- a. To follow good cultural practices including appropriate crop rotation.
- b. To use only chemicals and production aids that are legally registered and labeled for use on sunflowers in the United States.
- c. To bear all production expenses and all decisions related therein.
- d. To allow ASC to inspect Growers fields and all records related to the growing, cultivating and harvesting of the sunflowers produced under this contract.
- e. To sign and separate credit sale contract if deferred payment is requested.
- f. The crop shall be delivered free and clear of any claims, liens and encumbrances. If any liens exist at delivery, the company may make payment by check payable jointly to the grower and lien holder(s).
- g. To indemnify and hold ASC harmless for any liens or claims by third parties to the products specified in this agreement.
- h. To take any precautions necessary to prevent tampering of said product by outside parties, and to maintain the integrity of said product.
- i. This contract shall be binding upon Grower(s), his/her heirs, legal representatives and assigns and upon ASC, its successors and assigns shall not be transferable by Grower(s) without written consent of ASC, its successors and assigns.
- j. Grower(s) or ASC may not change, amend, modify or waive any provision of this agreement, except in writing by a duly authorized agent.

X. Grower may not assign any obligations under this agreement without prior written consent of ASC.

XI. This contract cannot be amended except by written agreement signed by both Grower and ASC.

XII. This agreement, when signed by Grower and Grower's Landlord (if applicable) is an offer to make a contract. No contract will arise until this agreement is received by and signed by an authorized representative of ASC.

XIII. This document, when accepted by ASC, shall constitute the entire agreement between the parties. In the event of breach, ASC shall be entitled to all costs taken to enforce this contract, including reasonable attorney fees.

XIV. The laws of the States North Dakota, South Dakota and Minnesota shall govern this agreement as determined by the Growers main place of residence.

2011

- I. This is a contract between ASC and Grower whereby ASC agrees to buy from Grower and Grower agrees to sell to ASC 4,000,000 pounds at 40,000.00 cwt. of US grown edible seeds of the class to be sold are "BLACK OILS"
- II. ASC recommends and Grower agrees that acres at a minimum will be planted to deliver the above stated contracted pounds. Grower agrees not to contract with any third party for production so as to impair Grower's obligation to deliver the above stated pounds to ASC. In event Grower does so contract with a third party or parties, Grower(s) is obligated without excuse to deliver the total stated pounds contracted to ASC. Grower and ASC agree that, under the terms, standards and conditions of this contract, the following acreage will be planted by Grower to fulfill the terms, standards and conditions of the contract. Grower(s) further agrees not to contract or commit additional production from the following acreages without consent of ASC and the entire production will be delivered to ASC with the first deliveries applied to the fulfillment of the contract and with any additional deliveries marketed on the open market at the discretion of the Grower(s) within the terms of the warehouse receipts.
- III. If Grower's production on the acreage specified above in item II exceeds the pounds in item I, ASC will have the first right to purchase the excess production at the then prevailing price quoted by ASC.
- IV. Grower must notify ASC no later than July 15, 2011 that they have planted adequate acreage to fulfill delivery of total pounds stated in item I. Such notification will also include a legal description of the land where the sunflower acres are planted. After harvest grower must report total production and bin location.
- V. Grower agrees that all sunflowers produced under the terms of this contract shall be delivered to and marketed through ASC processing plants or one of its authorized receiving stations. This product is to be delivered to REDFIELD, SD.
- VI. The base price will be 70% at \$31.50, 60% at \$31.25, 50% at \$31.00, 40% at \$30.00, delivered to ASC receiving locations based on the above clauses and the terms, standards, and conditions outlined on page two.
- VII. Excused performance of this contract by either party shall be excused to the extent that performance is prevented by crop failure, fire, explosion, strikes or labor disputes, transportation shortages, government acts, regulations or orders, act of God or public enemy, or any other circumstances of similar nature beyond the reasonable control of the affected party which prevents in whole or in part, the performance of this contract; **PROVIDED HOWEVER**, that should any such event occur, either party must notify the other party within seven days of the event by certified mail, return receipt requested. In addition, the affected party shall provide the other party, within ten days of such notice, a complete written description together with copies of documents and such evidence as is available, concerning the circumstance that prevents the affected party's performance under this contract. (For purposes of this contract, "affected party" is defined to mean the party asserting the performance prevented.) For example, in case of crop failure, the Grower shall remain bound by the terms of this contract to deliver any crop in conformity with this contract that is not destroyed or ruined. Should be the resulting product be of lesser quality than the contract quality, ASC has the option to accept or reject the lower quality. Also, concerning crop failure, if ASC requests visual proof within ten days of receiving notice from Grower, as described above Grower shall show the damaged field(s) to ASC prior to altering the damaged field(s) by plowing, disking, field cultivating, etc. Failure to provide timely notice as stated above, and/or failure to comply with any terms or conditions of this contract, shall make null and void the excused performance provided herby, and, in such event, the terms, standards and conditions of the purchase contract shall control, but without this excused performance clause. **EXCUSE FROM PERFORMANCE OF THIS CONTRACT IS DEPENDENT UPON DELIVERY OF THIS NOTICE AND SUBJECT TO THIRD PARTY CONFIRMATION OR PHYSICAL INSPECTION OF LOSS. FCIC OR ANY OTHER AGENCY OR ENTITY CANNOT GIVE PERMISSION TO DESTROY THIS CONTRACTED ACREAGE WITHOUT CONSENT OF ASC.**
- VIII. Grower(s) represents that he/she is qualified to execute and perform this contract, and any other joint or joint lessee joins this contract.

HAVING FIRST READ AND UNDERSTOOD THE ABOVE AND "THE ADDENDUM; AND THE TERMS, STANDARDS, AND CONDITIONS, ACKNOWLEDGES HIS/HER ACCEPTANCE OF THE TERMS AND CONDITIONS OUTLINED HEREIN. TERMS, STANDARDS AND CONDITIONS

1. All sunflowers will be purchased on a basis of net delivered weights and size based on an 8 over 64 slot, moisture and dark roast.
2. Any sunflowers delivered that do not meet the size standards will be subject to additional dockage and/or discounts received on a consignment basis.
3. ASC will accurately weigh and take representative samples of each load of sunflowers delivered and grade it according to ASC, buying schedule. ASC's weighing of the sunflowers shall be conclusive. A deduction from the gross weight of the sunflowers shall be made to cover excess moisture, dark roast, and foreign material. Seller shall be furnished a record of weight and grade of each load.
4. All sunflower seed raised by the Grower and delivered hereunder as acceptable merchantable seed shall; be field run (only excess dockage may be removed): contain 10% moisture or less; be sound, mature and bright colored; weigh at least 26lbs. per bushel; contain less than 1% sclerotinia and contain less than 12% dockage. Seed shall be free from admixtures of corn, beans, or together crops. Sunflower that does not conform to the specified quality may be discontinued or rejected in whole or part, at the sole discretion of the Company. Seed with more than 10% moisture will be subject to a drying charge plus moisture dockage or will be purchased a discount price. A discount price of 2% of the contract price will be taken for each percent of insect damaged seed over 5%. Additional discount may apply if the Company determines that insect damage is excessive. Seed with unmanageable levels of cocklebur or sclerotinia may be subject to rejection or price discount; Seed shall be pure and of edible quality and comply with F.D.A. standards for human consumption. Quality shall be determined by the laboratory of the Company.
5. Sunflower delivered under this contract will be subject to posted moisture shrink schedules at time of delivery.
6. Net weights will be all pounds delivered minus dirt, dust, foreign material, damaged or diseased sunflowers, small or off-color flowers, sticks, stones, weed seeds, and anything determined to not be a sound marketable sunflower, plus any applicable moisture shrink deduction.
7. Grower guarantees that sunflowers delivered shall be merchantable and will not be adulterated under the pesticide chemical provisions of applicable federal or state law. If the sunflowers do not meet grade, the amount paid per cwt will be on the basis of market discounts as determined by ASC. Any amounts of sunflowers exceeding the contract are the Grower's property, and he/she may elect to sell same on open market or store as they are delivered.
8. The contracted commodity shall be free from admixture of corn, soybeans and/or contrasting crops.
9. In the event that foreign materials such as metal, glass or plastics are found in the contracted commodity, it will be just cause for immediate rejection of the incoming load. Freight charge, if any, on rejected load is grower(s) responsibility.
10. All sunflowers accepted by ASC shall comply with all Federal, State, and local food and drug regulations. ASC will not accept any sunflowers containing contamination and/or does not meet the standards defined in the US Federal Food, Drug, and Cosmetic Act.
11. The grower shall receive payment for the portion of the Crop 30 days after delivery and acceptance in accordance with the terms and conditions of this contract. No sunflower oil premiums will be paid, and no oil discounts will be taken.

IX. Grower Agrees:

- a. To follow good cultural practices including appropriate crop rotation.
- b. To use only chemicals and production aids that are legally registered and labeled for use on sunflowers in the United States.
- c. To bear all production expenses and all decisions related therein.
- d. To allow ASC to inspect Growers fields and all records related to the growing, cultivating and harvesting of the sunflowers produced under this contract.
- e. To sign and separate credit sale contract if deferred payment is requested.
- f. The crop shall be delivered free and clear of any claims, liens and encumbrances. If any liens exist at delivery, the company may make payment by check payable jointly to the grower and lien holder(s).
- g. To indemnify and hold ASC harmless for any liens or claims by third parties to the products specified in this agreement.
- h. To take any precautions necessary to prevent tampering of said product by outside parties, and to maintain the integrity of said product.
- i. This contract shall be binding upon Grower(s), his/her heirs, legal representatives and assigns and upon ASC, its successors and assigns shall not be transferable by Grower(s) without written consent of ASC, its successors and assigns.
- j. Grower(s) or ASC may not change, amend, modify or waive any provision of this agreement, except in writing by a duly authorized agent.

X. Grower may not assign any obligations under this agreement without prior written consent of ASC.

XI. This contract cannot be amended except by written agreement signed by both Grower and ASC.

XII. This agreement, when signed by Grower and Grower's Landlord (if applicable) is an offer to make a contract. No contract will arise until this agreement is received by and signed by an authorized representative of ASC.

XIII. This document, when accepted by ASC, shall constitute the entire agreement between the parties. In the event of breach, ASC shall be entitled to all costs taken to enforce this contract, including reasonable attorney fees.

XIV. The laws of the States North Dakota, South Dakota and Minnesota shall govern this agreement as determined by the Growers main place of residence.

2. Any sunflowers delivered that do not meet the size standards will be subject to additional dockage and/or discounts received on a consignment basis.
3. ASC will accurately weigh and take representative samples of each load of sunflowers delivered and grade it according to ASC, buying schedule. ASC's weighing of the sunflowers shall be conclusive. A deduction from the gross weight of the sunflowers shall be made to cover excess moisture, dark roast, and foreign material. Seller shall be furnished a record of weight and grade of each load.
4. All sunflower seed raised by the Grower and delivered hereunder as acceptable merchantable seed shall; be field run (only excess dockage may be removed): contain 10% moisture or less; be sound, mature and bright colored; weigh at least 26lbs. per bushel; contain less than 1% sclerotinia and contain less than 12% dockage. Seed shall be free from admixtures of corn, beans, or together crops. Sunflower that does not conform to the specified quality may be discontinued or rejected in whole or part, at the sole discretion of the Company. Seed with more than 10% moisture will be subject to a drying charge plus moisture dockage or will be purchased a discount price. A discount price of 2% of the contract price will be taken for each percent of insect damaged seed over 5%. Additional discount may apply if the Company determines that insect damage is excessive. Seed with unmanageable levels of cocklebur or sclerotinia may be subject to rejection or price discount; Seed shall be pure and of edible quality and comply with F.D.A. standards for human consumption. Quality shall be determined by the laboratory of the Company.
5. Sunflower delivered under this contract will be subject to posted moisture shrink schedules at time of delivery.
6. Net weights will be all pounds delivered minus dirt, dust, foreign material, damaged or diseased sunflowers, small or off-color flowers, sticks, stones, weed seeds, and anything determined to not be a sound marketable sunflower, plus any applicable moisture shrink deduction.
7. Grower guarantees that sunflowers delivered shall be merchantable and will not be adulterated under the pesticide chemical provisions of applicable federal or state law. If the sunflowers do not meet grade, the amount paid per cwt will be on the basis of market discounts as determined by ASC. Any amounts of sunflowers exceeding the contract are the Grower's property, and he/she may elect to sell same on open market or store as they are delivered.
8. The contracted commodity shall be free from admixture of corn, soybeans and/or contrasting crops.
9. In the event that foreign materials such as metal, glass or plastics are found in the contracted commodity, it will be just cause for immediate rejection of the incoming load. Freight charge, if any, on rejected load is grower(s) responsibility.
10. All sunflowers accepted by ASC shall comply with all Federal, State, and local food and drug regulations. ASC will not accept any sunflowers containing contamination and/or does not meet the standards defined in the US Federal Food, Drug, and Cosmetic Act.
11. The grower shall receive payment for the portion of the Crop 30 days after delivery and acceptance in accordance with the terms and conditions of this contract. No sunflower oil premiums will be paid, and no oil discounts will be taken.

IX. Grower Agrees:

- a. To follow good cultural practices including appropriate crop rotation.
- b. To use only chemicals and production aids that are legally registered and labeled for use on sunflowers in the United States.
- c. To bear all production expenses and all decisions related therein.
- d. To allow ASC to inspect Growers fields and all records related to the growing, cultivating and harvesting of the sunflowers produced under this contract.
- e. To sign and separate credit sale contract if deferred payment is requested.
- f. The crop shall be delivered free and clear of any claims, liens and encumbrances. If any liens exist at delivery, the company may make payment by check payable jointly to the grower and lien holder(s).
- g. To indemnify and hold ASC harmless for any liens or claims by third parties to the products specified in this agreement.
- h. To take any precautions necessary to prevent tampering of said product by outside parties, and to maintain the integrity of said product.
- i. This contract shall be binding upon Grower(s), his/her heirs, legal representatives and assigns and upon ASC, its successors and assigns shall not be transferable by Grower(s) without written consent of ASC, its successors and assigns.
- j. Grower(s) or ASC may not change, amend, modify or waive any provision of this agreement, except in writing by a duly authorized agent.

X. Grower may not assign any obligations under this agreement without prior written consent of ASC.

XI. This contract cannot be amended except by written agreement signed by both Grower and ASC.

XII. This agreement, when signed by Grower and Grower's Landlord (if applicable) is an offer to make a contract. No contract will arise until this agreement is received by and signed by an authorized representative of ASC.

XIII. This document, when accepted by ASC, shall constitute the entire agreement between the parties. In the event of breach, ASC shall be entitled to all costs taken to enforce this contract, including reasonable attorney fees.

DELIVERY: Oct. - Dec., 2011 and January - May, 2012 (even splits) BUYERS CALL: CROP 2011

- I. This is a contract between ASC and Grower whereby ASC agrees to buy from Grower and Grower agrees to sell to ASC 1,500,000 pounds at 15,000.00 cwt. of US grown edible seeds of the class to be sold are "BLACK OILS"
- II. ASC recommends and Grower agrees that ___ acres at a minimum will be planted to deliver the above stated contracted pounds. Grower agrees not to contract with any third party for production so as to impair Grower's obligation to deliver the above stated pounds to ASC. In event Grower does so contract with a third party or parties, Grower(s) is obligated without excuse to deliver the total stated pounds contracted to ASC. Grower and ASC agree that, under the terms, standards and conditions of this contract, the following acreage will be planted by Grower to fulfill the terms, standards and conditions of the contract. Grower(s) further agrees not to contract or commit additional production from the following acreages without consent of ASC, and the entire production will be delivered to ASC with the first deliveries applied to the fulfillment of the contract and with any additional deliveries marketed on the open market at the discretion of the Grower(s) within the terms of the warehouse receipts.
- III. If Grower's production on the acreage specified above in item II exceeds the pounds in item I, ASC will have the first right to purchase the excess production at the then prevailing price quoted by ASC.
- IV. Grower must notify ASC no later than July 15, 2011 that they have planted adequate acreage to fulfill delivery of total pounds stated in item I. Such notification will also include a legal description of the land where the sunflower acres are planted. After harvest grower must report total production and bin location.
- V. Grower agrees that all sunflowers produced under the terms of this contract shall be delivered to and marketed through ASC processing plants or one of its authorized receiving stations. This product is to be delivered to REDFIELD, SD.
- VI. The base price will be 70% at \$31.75, 60% at \$31.50, 50% at \$31.25, delivered to ASC receiving locations based on the above clauses and the terms, standards, and conditions outlined on page two.
- VII. Excused performance of this contract by either party shall be excused to the extent that performance is prevented by crop failure, fire, explosion, strikes or labor disputes, transportation shortages, government acts, regulations or orders, act of God or public enemy, or any other circumstances of similar nature beyond the reasonable control of the affected party which prevents in whole or in part, the performance of this contract; **PROVIDED HOWEVER**, that should any such event occur, either party must notify the other party within seven days of the event by certified mail, return receipt requested. In addition, the affected party shall provide the other party, within ten days of such notice, a complete written description together with copies of documents and such evidence as is available, concerning the circumstance that prevents the affected party's performance under this contract. (For purposes of this contract, "affected party" is defined to mean the party asserting the performance prevented.) For example, in case of crop failure, the Grower shall remain bound by the terms of this contract to deliver any crop in conformity with this contract that is not destroyed or ruined. Should be the resulting product be of lesser quality than the contract quality, ASC has the option to accept or reject the lower quality. Also, concerning crop failure, if ASC requests visual proof within ten days of receiving notice from Grower, as described above Grower shall show the damaged field(s) to ASC prior to altering the damaged field(s) by plowing, disking, field cultivating, etc. Failure to provide timely notice as stated above, and/or failure to comply with any terms or conditions of this contract, shall make null and void the excused performance provided herby, and, in such event, the terms, standards and conditions of the purchase contract shall control, but without this excused performance clause. **EXCUSE FROM PERFORMANCE OF THIS CONTRACT IS DEPENDENT UPON DELIVERY OF THIS NOTICE AND SUBJECT TO THIRD PARTY CONFIRMATION OR PHYSICAL INSPECTION OF LOSS. FCIC OR ANY OTHER AGENCY OR ENTITY CANNOT GIVE PERMISSION TO DESTROY THIS CONTRACTED ACREAGE WITHOUT CONSENT OF ASC.**
- VIII. Grower(s) represents that he/she is qualified to execute and perform this contract, and any other joint or joint lessee joins this contract.

HAVING FIRST READ AND UNDERSTOOD THE ABOVE AND "THE ADDENDUM; AND THE TERMS, STANDARDS, AND CONDITIONS, ACKNOWLEDGES HIS/HER ACCEPTANCE OF THE TERMS AND CONDITIONS OUTLINED HEREIN. - I. This is a contract between ASC and Grower whereby ASC agrees to buy from Grower and Grower agrees to sell to ASC 2,000,000 pounds at 20,000.00 cwt. of US grown edible seeds of the class to be sold are "BLACK OILS"
- II. ASC recommends and Grower agrees that ___ acres at a minimum will be planted to deliver the above stated contracted pounds. Grower agrees not to contract with any third party for production so as to impair Grower's obligation to deliver the above stated pounds to ASC. In event Grower does so contract with a third party or parties, Grower(s) is obligated without excuse to deliver the total stated pounds contracted to ASC. Grower and ASC agree that, under the terms, standards and conditions of this contract, the following acreage will be planted by Grower to fulfill the terms, standards and conditions of the contract. Grower(s) further agrees not to contract or commit additional production from the following acreages without consent of ASC and the entire production will be delivered to ASC with the first deliveries applied to the fulfillment of the contract and with any additional deliveries marketed on the open market at the discretion of the Grower(s) within the terms of the warehouse receipts.
- III. If Grower's production on the acreage specified above in item II exceeds the pounds in item I, ASC will have the first right to purchase the excess production at the then prevailing price quoted by ASC.
- IV. Grower must notify ASC no later than July 15, 2011 that they have planted adequate acreage to fulfill delivery of total pounds stated in item I. Such notification will also include a legal description of the land where the sunflower acres are planted. After harvest grower must report total production and bin location.
- V. Grower agrees that all sunflowers produced under the terms of this contract shall be delivered to and marketed through ASC processing plants or one of its authorized receiving stations. This product is to be delivered to REDFIELD, SD.
- VI. The base price will be 70% at \$33.50, 60% at \$33.25, 50% at \$33.00 delivered to ASC receiving locations based on the above clauses and the terms, standards, and conditions outlined on page two.
- VII. Excused performance of this contract by either party shall be excused to the extent that performance is prevented by crop failure, fire, explosion, strikes or labor disputes, transportation shortages, government acts, regulations or orders, act of God or public enemy, or any other circumstances of similar nature beyond the reasonable control of the affected party which prevents in whole or in part, the performance of this contract; **PROVIDED HOWEVER**, that should any such event occur, either party must notify the other party within seven days of the event by certified mail, return receipt requested. In addition, the affected party shall provide the other party, within ten days of such notice, a complete written description together with copies of documents and such evidence as is available, concerning the circumstance that prevents the affected party's performance under this contract. (For purposes of this contract, "affected party" is defined to mean the party asserting the performance prevented.) For example, in case of crop failure, the Grower shall remain bound by the terms of this contract to deliver any crop in conformity with this contract that is not destroyed or ruined. Should be the resulting product be of lesser quality than the contract quality, ASC has the option to accept or reject the lower quality. Also, concerning crop failure, if ASC requests visual proof within ten days of receiving notice from Grower, as described above Grower shall show the damaged field(s) to ASC prior to altering the damaged field(s) by plowing, disking, field cultivating, etc. Failure to provide timely notice as stated above, and/or failure to comply with any terms or conditions of this contract, shall make null and void the excused performance provided hereby, and, in such event, the terms, standards and conditions of the purchase contract shall control, but without this excused performance clause. **EXCUSE FROM PERFORMANCE OF THIS CONTRACT IS DEPENDENT UPON DELIVERY OF THIS NOTICE AND SUBJECT TO THIRD PARTY CONFIRMATION OR PHYSICAL INSPECTION OF LOSS. FCIC OR ANY OTHER AGENCY OR ENTITY CANNOT GIVE PERMISSION TO DESTROY THIS CONTRACTED ACREAGE WITHOUT CONSENT OF ASC.**
- VIII. Grower(s) represents that he/she is qualified to execute and perform this contract, and any other joint or joint lessee joins this contract.

HAVING FIRST READ AND UNDERSTOOD THE ABOVE AND "THE ADDENDUM; AND THE TERMS, STANDARDS, AND CONDITIONS, ACKNOWLEDGES HIS/HER ACCEPTANCE OF THE TERMS AND CONDITIONS OUTLINED HEREIN. ASC RESERVES THE RIGHT TO DEEM THIS CONTRACT AS NULL AND VOID IF IT IS NOT SIGNED AND RETURNED WITHIN TEN DAYS FROM THE DATE OF ISSUE LISTED ABOVE.

ASC (Buyer): _____ DATE: _____

TERMS, STANDARDS AND CONDITIONS

1. All sunflowers will be purchased on a basis of net delivered weights and size based on an 8 over 64 slot, moisture and dark roast.
2. Any sunflowers delivered that do not meet the size standards will be subject to additional dockage and/or discounts received on a consignment basis.
3. ASC will accurately weigh and take representative samples of each load of sunflowers delivered and grade it according to ASC, buying schedule. ASC's weighing of the sunflowers shall be conclusive. A deduction from the gross weight of the sunflowers shall be made to cover excess moisture, dark roast, and foreign material. Seller shall be furnished a record of weight and grade of each load.
4. All sunflower seed raised by the Grower and delivered hereunder as acceptable merchantable seed shall; be field run (only excess dockage may be removed); contain 10% moisture or less; be sound, mature and bright colored; weigh at least 26lbs. per bushel; contain less than 1% sclerotinia and contain less than 12% dockage. Seed shall be free from admixtures of corn, beans, or together crops. Sunflower that does not conform to the specified quality may be discontinued or rejected in whole or part, at the sole discretion of the Company. Seed with more than 10% moisture will be subject to a drying charge plus moisture dockage or will be purchased a discount price. A discount price of 2% of the contract price will be taken for each percent of insect damaged seed over 5%. Additional discount may apply if the Company determines that insect damage is excessive. Seed with unmanageable levels of cocklebur or sclerotinia may be subject to rejection or price discount; Seed shall be pure and of edible quality and comply with F.D.A. standards for human consumption. Quality shall be determined by the laboratory of the Company.
5. Sunflower delivered under this contract will be subject to posted moisture shrink schedules at time of delivery.
6. Net weights will be all pounds delivered minus dirt, dust, foreign material, damaged or diseased sunflowers, small or off-color flowers, sticks, stones, weed seeds, and anything determined to not be a sound marketable sunflower, plus any applicable moisture shrink deduction.
7. Grower guarantees that sunflowers delivered shall be merchantable and will not be adulterated under the pesticide chemical provisions of applicable federal or state law. If the sunflowers do not meet grade, the amount paid per cwt will be on the basis of market discounts as determined by ASC. Any amounts of sunflowers exceeding the contract are the Grower's property, and he/she may elect to sell same on open market or store as they are delivered.
8. The contracted commodity shall be free from admixture of corn, soybeans and/or contrasting crops.
9. In the event that foreign materials such as metal, glass or plastics are found in the contracted commodity, it will be just cause for immediate rejection of the incoming load. Freight charge, if any, on rejected load is grower(s) responsibility.
10. All sunflowers accepted by ASC shall comply with all Federal, State, and local food and drug regulations. ASC will not accept any sunflowers containing contamination and/or does not meet the standards defined in the US Federal Food, Drug, and Cosmetic Act.
11. The grower shall receive payment for the portion of the Crop 30 days after delivery and acceptance in accordance with the terms and conditions of this contract. No sunflower oil premiums will be paid, and no oil discounts will be taken.

IX. Grower Agrees:

- a. To follow good cultural practices including appropriate crop rotation.
- b. To use only chemicals and production aids that are legally registered and labeled for use on sunflowers in the United States.
- c. To bear all production expenses and all decisions related therein.
- d. To allow ASC to inspect Growers fields and all records related to the growing, cultivating and harvesting of the sunflowers produced under this contract.
- e. To sign and separate credit sale contract if deferred payment is requested.
- f. The crop shall be delivered free and clear of any claims, liens and encumbrances. If any liens exist at delivery, the company may make payment by check payable jointly to the grower and lien holder(s).
- g. To indemnify and hold ASC harmless for any liens or claims by third parties to the products specified in this agreement.
- h. To take any precautions necessary to prevent tampering of said product by outside parties, and to maintain the integrity of said product.
- i. This contract shall be binding upon Grower(s), his/her heirs, legal representatives and assigns and upon ASC, its successors and assigns shall not be transferable by Grower(s) without written consent of ASC, its successors and assigns.
- j. Grower(s) or ASC may not change, amend, modify or waive any provision of this agreement, except in writing by a duly authorized agent.

- X. Grower may not assign any obligations under this agreement without prior written consent of ASC.
- XI. This contract cannot be amended except by written agreement signed by both Grower and ASC.
- XII. This agreement, when signed by Grower and Grower's Landlord (if applicable) is an offer to make a contract. No contract will arise until this agreement is received by and signed by an authorized representative of ASC.
- XIII. This document, when accepted by ASC, shall constitute the entire agreement between the parties. In the event of breach, ASC shall be entitled to all costs taken to enforce this contract, including reasonable attorney fees.
- XIV. The laws of the States North Dakota, South Dakota and Minnesota shall govern this agreement as determined by the Growers main place of residence.

9. In the event that foreign materials such as metal, glass or plastics are found in the contracted commodity, it will be just cause for immediate rejection of the incoming load. Freight charge, if any, on rejected load is grower(s) responsibility.
10. All sunflowers accepted by ASC shall comply with all Federal, State, and local food and drug regulations. ASC will not accept any sunflowers containing contamination and/or does not meet the standards defined in the US Federal Food, Drug, and Cosmetic Act.
11. The grower shall receive payment for the portion of the Crop 30 days after delivery and acceptance in accordance with the terms and conditions of this contract. No sunflower oil premiums will be paid, and no oil discounts will be taken.

IX. Grower Agrees:

- a. To follow good cultural practices including appropriate crop rotation.
- b. To use only chemicals and production aids that are legally registered and labeled for use on sunflowers in the United States.
- c. To bear all production expenses and all decisions related therein.
- d. To allow ASC to inspect Growers fields and all records related to the growing, cultivating and harvesting of the sunflowers produced under this contract.
- e. To sign and separate credit sale contract if deferred payment is requested.
- f. The crop shall be delivered free and clear of any claims, liens and encumbrances. If any liens exist at delivery, the company may make payment by check payable jointly to the grower and lien holder(s).
- g. To indemnify and hold ASC harmless for any liens or claims by third parties to the products specified in this agreement.
- h. To take any precautions necessary to prevent tampering of said product by outside parties, and to maintain the integrity of said product.
- i. This contract shall be binding upon Grower(s), his/her heirs, legal representatives and assigns and upon ASC, its successors and assigns shall not be transferable by Grower(s) without written consent of ASC, its successors and assigns.
- j. Grower(s) or ASC may not change, amend, modify or waive any provision of this agreement, except in writing by a duly authorized agent.

X. Grower may not assign any obligations under this agreement without prior written consent of ASC.

XI. This contract cannot be amended except by written agreement signed by both Grower and ASC.

XII. This agreement, when signed by Grower and Grower's Landlord (if applicable) is an offer to make a contract. No contract will arise until this agreement is received by and signed by an authorized representative of ASC.

XIII. This document, when accepted by ASC, shall constitute the entire agreement between the parties. In the event of breach, ASC shall be entitled to all costs taken to enforce this contract, including reasonable attorney fees.

XIV. The laws of the States North Dakota, South Dakota and Minnesota shall govern this agreement as determined by the Growers main place of residence.

BUYERS CALL: CROP 2011

- I. This is a contract between ASC and Grower whereby ASC agrees to buy from Grower and Grower agrees to sell to ASC 275,000 pounds at 2,750.00 cwt. of US grown edible seeds of the class to be sold are "BLACK OILS".
- II. ASC recommends and Grower agrees that ___ acres at a minimum will be planted to deliver the above stated contracted pounds. Grower agrees not to contract with any third party for production so as to impair Grower's obligation to deliver the above stated pounds to ASC. In event Grower does so contract with a third party or parties, Grower(s) is obligated without excuse to deliver the total stated pounds contracted to ASC. Grower and ASC agree that, under the terms, standards and conditions of this contract, the following acreage will be planted by Grower to fulfill the terms, standards and conditions of the contract. Grower(s) further agrees not to contract or commit additional production from the following acreages without consent of ASC and the entire production will be delivered to ASC with the first deliveries applied to the fulfillment of the contract and with any additional deliveries marketed on the open market at the discretion of the Grower(s) within the terms of the warehouse receipts.
- III. If Grower's production on the acreage specified above in item II exceeds the pounds in item I, ASC will have the first right to purchase the excess production at the then prevailing price quoted by ASC.
- IV. Grower must notify ASC no later than ___ that they have planted adequate acreage to fulfill delivery of total pounds stated in item I. Such notification will also include a legal description of the land where the sunflower acres are planted. After harvest grower must report total production and bin location.
- V. Grower agrees that all sunflowers produced under the terms of this contract shall be delivered to and marketed through ASC processing plants or one of its authorized receiving stations. This product is to be delivered to **FOB: PIERRE OR ONIDA, SD.**
- VI. The base price will be 50% at \$41.80, delivered to ASC receiving locations based on the above clauses and the terms, standards, and conditions outlined on page two.
- VII. Excused performance of this contract by either party shall be excused to the extent that performance is prevented by crop failure, fire, explosion, strikes or labor disputes, transportation shortages, government acts, regulations or orders, act of God or public enemy, or any other circumstances of similar nature beyond the reasonable control of the affected party which prevents in whole or in part, the performance of this contract; **PROVIDED HOWEVER**, that should any such event occur, either party must notify the other party within seven days of the event by certified mail, return receipt requested. In addition, the affected party shall provide the other party, within ten days of such notice, a complete written description together with copies of documents and such evidence as is available, concerning the circumstance that prevents the affected party's performance under this contract. (For purposes of this contract, "affected party" is defined to mean the party asserting the performance prevented.) For example, in case of crop failure, the Grower shall remain bound by the terms of this contract to deliver any crop in conformity with this contract that is not destroyed or ruined. Should be the resulting product be of lesser quality than the contract quality, ASC has the option to accept or reject the lower quality. Also, concerning crop failure, if ASC requests visual proof within ten days of receiving notice from Grower, as described above Grower shall show the damaged field(s) to ASC prior to altering the damaged field(s) by plowing, disking, field cultivating, etc. Failure to provide timely notice as stated above, and/or failure to comply with any terms or conditions of this contract, shall make null and void the excused performance provided herby, and, in such event, the terms, standards and conditions of the purchase contract shall control, but without this excused performance clause. **EXCUSE FROM PERFORMANCE OF THIS CONTRACT IS DEPENDENT UPON DELIVERY OF THIS NOTICE AND SUBJECT TO THIRD PARTY CONFIRMATION OR PHYSICAL INSPECTION OF LOSS. FCIC OR ANY OTHER AGENCY OR ENTITY CANNOT GIVE PERMISSION TO DESTROY THIS CONTRACTED ACREAGE WITHOUT CONSENT OF ASC.**
- VIII. Grower(s) represents that he/she is qualified to execute and perform this contract, and any other joint or joint lessee joins this contract.

HAVING FIRST READ AND UNDERSTOOD THE ABOVE AND "THE ADDENDUM; AND THE TERMS, STANDARDS, AND CONDITIONS, ACKNOWLEDGES HIS/HER ACCEPTANCE OF THE TERMS AND CONDITIONS OUTLINED HEREIN. ASC RESERVES THE RIGHT TO DEEM THIS CONTRACT AS NULL AND VOID IF IT IS NOT SIGNED AND RETURNED WITHIN TEN DAYS FROM THE DATE OF ISSUE LISTED ABOVE.

TERMS, STANDARDS AND CONDITIONS

1. All sunflowers will be purchased on a basis of net delivered weights and size based on an 8 over 64 slot, moisture and dark roast.
 2. Any sunflowers delivered that do not meet the size standards will be subject to additional dockage and/or discounts received on a consignment basis.
 3. ASC will accurately weigh and take representative samples of each load of sunflowers delivered and grade it according to ASC, buying schedule. ASC's weighing of the sunflowers shall be conclusive. A deduction from the gross weight of the sunflowers shall be made to cover excess moisture, dark roast, and foreign material. Seller shall be furnished a record of weight and grade of each load.
 4. All sunflower seed raised by the Grower and delivered hereunder as acceptable merchantable seed shall; be field run (only excess dockage may be removed): contain 10% moisture or less; be sound, mature and bright colored; weigh at least 26lbs. per bushel; contain less than 1% sclerotinia and contain less than 12% dockage. Seed shall be free from admixtures of corn, beans, or together crops. Sunflower that does not conform to the specified quality may be discontinued or rejected in whole or part, at the sole discretion of the Company. Seed with more than 10% moisture will be subject to a drying charge plus moisture dockage or will be purchased a discount price. A discount price of 2% of the contract price will be taken for each percent of insect damaged seed over 5%. Additional discount may apply if the Company determines that insect damage is excessive. Seed with unmanageable levels of cocklebur or sclerotinia may be subject to rejection or price discount; Seed shall be pure and of edible quality and comply with F.D.A. standards for human consumption. Quality shall be determined by the laboratory of the Company.
 5. Sunflower delivered under this contract will be subject to posted moisture shrink schedules at time of delivery.
 6. Net weights will be all pounds delivered minus dirt, dust, foreign material, damaged or diseased sunflowers, small or off-color flowers, sticks, stones, weed seeds, and anything determined to not be a sound marketable sunflower, plus any applicable moisture shrink deduction.
 7. Grower guarantees that sunflowers delivered shall be merchantable and will not be adulterated under the pesticide chemical provisions of applicable federal or state law. If the sunflowers do not meet grade, the amount paid per cwt will be on the basis of market discounts as determined by ASC. Any amounts of sunflowers exceeding the contract are the Grower's property, and he/she may elect to sell same on open market or store as they are delivered.
 8. The contracted commodity shall be free from admixture of corn, soybeans and/or contrasting crops.
 9. In the event that foreign materials such as metal, glass or plastics are found in the contracted commodity, it will be just cause for immediate rejection of the incoming load. Freight charge, if any, on rejected load is grower(s) responsibility.
 10. All sunflowers accepted by ASC shall comply with all Federal, State, and local food and drug regulations. ASC will not accept any sunflowers containing contamination and/or does not meet the standards defined in the US Federal Food, Drug, and Cosmetic Act.
 11. The grower shall receive payment for the portion of the Crop 30 days after delivery and acceptance in accordance with the terms and conditions of this contract. No sunflower oil premiums will be paid, and no oil discounts will be taken.
- IX. Grower Agrees:
- a. To follow good cultural practices including appropriate crop rotation.
 - b. To use only chemicals and production aids that are legally registered and labeled for use on sunflowers in the United States.
 - c. To bear all production expenses and all decisions related therein.
 - d. To allow ASC to inspect Growers fields and all records related to the growing, cultivating and harvesting of the sunflowers produced under this contract.
 - e. To sign and separate credit sale contract if deferred payment is requested.
 - f. The crop shall be delivered free and clear of any claims, liens and encumbrances. If any liens exist at delivery, the company may make payment by check payable jointly to the grower and lien holder(s).
 - g. To indemnify and hold ASC harmless for any liens or claims by third parties to the products specified in this agreement.
 - h. To take any precautions necessary to prevent tampering of said product by outside parties, and to maintain the integrity of said product.
 - i. This contract shall be binding upon Grower(s), his/her heirs, legal representatives and assigns and upon ASC, its successors and assigns shall not be transferable by Grower(s) without written consent of ASC, its successors and assigns.
 - j. Grower(s) or ASC may not change, amend, modify or waive any provision of this agreement, except in writing by a duly authorized agent.
- X. Grower may not assign any obligations under this agreement without prior written consent of ASC.
- XI. This contract cannot be amended except by written agreement signed by both Grower and ASC.
- XII. This agreement, when signed by Grower and Grower's Landlord (if applicable) is an offer to make a contract. No contract will arise until this agreement is received by and signed by an authorized representative of ASC.
- XIII. This document, when accepted by ASC, shall constitute the entire agreement between the parties. In the event of breach, ASC shall be entitled to all costs taken to enforce this contract, including reasonable attorney fees.
