Subject: MLGC LLC NXX Activations

Patrick,
I received your voice message indicating you (ND PSC) would be direct the NPAC to reclaim these two codes. Just Friday of last week MLGC was able to activate the facilities and make test calls with Qwest/CenturyLink. I was out of the office yesterday. The Part 4 code activation forms are attached. Please authorize these activations and forward them to NPAC.

If you have questions please call me at 651.621.8322.
