State Capital – 12th Floor
Bismark, ND 58505 - 0480
Attn: Public Utility Division

Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) are seven copies of the following tariff issued by Enbridge Pipelines (North Dakota) LLC (“Enbridge North Dakota”):

NDPSC Tariff No. 89, cancelling NDPSC Tariff No. 87

This tariff bears an issuance date of February 29, 2012 and an effective date of February 29, 2012.

Explanation of the Tariff Filing

NDPSC Tariff No. 89 is being issued to provide notice of the extension of the temporary, partial embargo for deliveries to Clearbrook, (Clearwater County, MN) from the Berthold (Ward County, ND) receipt point due to vibration issues that have occurred at Berthold resulting in the isolation of pumps to ensure that safe operations can be maintained. This is the only receipt and delivery point impacted by this temporary embargo. Notice of the temporary partial embargo was first provided in NDPSC Tariff No. 83 which became effective on October 28, 2011. New pumps have now been installed and are awaiting commissioning which is expected to be completed by April 1, 2012. In addition, a spelling error in tables 1, 2, and 3 has been corrected.

Notification

I hereby certify that Enbridge North Dakota has, on or before this date, delivered copies of the above tariff to each person on Enbridge North Dakota's tariff subscriber list by U.S. postal service (First Class Mail) or by other means agreed upon.

Pursuant to 18 CFR 343.3 of the Commission's regulations, it is requested that any protest related to this tariff filing be sent via facsimile to Shauna Bates at (403) 508-3140.
