

cause of a loophole in the Health Insurance Portability and Accountability Act, HIPAA, there's nothing a patient can do to stop this

Volunteers donate ACC blood drive

A total of 44 people volunteered to donate blood, 137 were able to give during the Anne Carlsen Center's recent blood drive. Thirteen people donated blood on the automated 2RBC machine, which collects two units of blood cells during the donation, so a total of 50 units were collected. One of the donors gave for the first time.

Heila Ova coordinated the drive, and the Anne Carlsen Center sponsored it, assisted with recruiting donors, publicity, providing refreshments and assisting donors. Others who assisted with the drive were Val Nelson and Lynn Wagner. Space to donate the drive was provided at ACC.

Huntington's disease support meeting set

The Huntington's Disease Northern Prairie Area support group will meet from 10 a.m. to noon on Thursday at the Fargo Holiday Inn.

Barbara Giese, HD social worker, recently attended Huntington's National Conference, and will present "What's Happening in

slow to adopt electronic health records because, unlike with doctors, the federal government didn't provide them with incentives.

representative, United Blood Services. Ten people gave blood on the automated 2RBC machine which collects two units of red blood cells during the donation, so a total of 41 products were collected.

Rose Ann Fehr coordinated the drive. Others who assisted with the drive were: Dianne Purcell, Gloria Johnston, Marianna Rumer, Mary Plumb and Doris Slag.
