

posals and questions related to: The proposed CDBG application for Sanitary Sewer Lift Station Improvement Project.

Community development and housing needs, including the needs or very low and low income persons, as well as other needs in the community that might be addressed through the CDBG program, and the performance of the City of Verona in carrying out its community development responsibilities.

Written comments are also welcome and must be received by June 20, 2012, at Verona Community Center, PO Box 14, Verona, ND 58490. Oral and written comments will be considered in deciding whether to submit an application for the proposed project. Written summary information will be available at Verona Community Center on June 13, 2012 until June 20, 2012 on any CDBG application(s) the city of Verona intends to submit to the state. A copy of the application(s) as submitted to the state will be available for public review at South Central Dakota Regional Council after July 2, 2012. Information and records regarding the city of Verona's proposed and past use of CDBG funds are available at Verona Community Center during regular office hours. Advance notice is requested. If

land owners for encroachments. Mr. Worrel will give the owners 20 days to respond. It was mentioned that since farmers are busy in the fields right now, the county should give them more time. It was suggested that the deadline be this fall. The encroachments need to be taken care of because they could cause accidents and the County could lose federal funding. It was noted that the encroachments on township roads are the responsibility of the townships.

A letter from the North Dakota Department of Transportation (NDDOT) was received stating that Midwest Contracting, LLC proposal for project CER-2303(064) was rejected because they failed to meet requirements. (NDDOT 3/23/12 bid opening, Job #41, approved at the 4/3/12 Commissioners meeting.) It was noted that the next lowest bidder was Central Specialties. They can do the work, but they will need a month extension on the deadlines. No motion was needed at this time, per Mr. Lange.

The NDDOT Construction Engineering Services Agreement for County Federal Aid Project was discussed. NDDOT Contract No. 38120641 is for project CER-2303(064) which is located approximately 6 miles north of Kulm. The length of the project is

when they move out. Someone asked if the Memorial Park is open for camping. It was noted that the water is not on and campers should call park caretaker Mike Shockman for any questions.

At 9:56 a.m., DES/911 Coordinator Kimberly Robbins gave an update on her department's activities. The FEMA Applicant Agent report was reviewed: Individual site folders are completed for DR1713 (Flood 2007) and disbursement of funds needs to be determined. DR1829 (Flood 2009) will close on 10/24/12 and DR1907 (Flood 2010) will close on 10/30/12. DR1981 (Flood 2011) received 46 project worksheets (PW's), over \$600,000 for small projects road-way repair and 9 PW's are still waiting for FEMA approval. There is no close date for 2011 yet.

Request for bids for the 2009 FEMA museum artifact conservation project will be mailed out. The bid deadline will be May 31st, 2012 and the bids will be discussed at the June 5th Commissioners meeting. Ms. Robbins is working with Matt Lange (KLJ) on the project. The project will need to be completed by October 1st, 2012.

Upcoming Dates: Severe Summer Weather Awareness Week is April 30th to May 4th.

voting "yes". Mr. Klein gave an air conditioning update. The equipment will be arriving today, the duct work on top of the courthouse is done and additional duct work was installed (at no extra cost) for future use. Simex Refrigeration Service from Fullerton, ND and Direct Electric Inc. from Edgeley, ND are installing the air conditioning.
