5 Good Reasons Why It Pays To Shop Locally

1 Your local merchants usually have the same merchandise as their big city counterparts.

2 High gas prices may make that out-of-town bargain more than you bargained for.

3 Shopping locally makes returns and exchanges easier.

4 You'll save time and avoid large crowds.

5 Every dollar you spend in your hometown goes back into your local economy to help fund schools, roads, and other services where YOU live — not in some other town.
