

# ditch hay cutters and adjacent landowners

This notice is to inform all Grant County landowners and those who cut hay in road ditch right-of-ways. Throughout the summer, into fall, the Grant County Weed Board sprays chemical into road ditches for the control of noxious weeds. Some of these chemicals can have a residue on a plant for up to two weeks, depending on conditions. This residue can pass through the animal into the manure, and could cause crop damage in certain situations. It is impossible for us to inform you exactly where we are spraying on a weekly basis. A lot depends on the weather for us as well. It is your duty, as a landowner or a ditch hay cutter, to check with us if you have any concerns. This notice is being given according to ND State Pesticide Law. We hope this does not inconvenience anyone. This is for your protection as well as ours. It is better to be proactive ahead of time than reactive after a problem occurs. Contact Merlin Leithold, weed officer, at 701-220-7908 (cell) for any additional concerns or questions.

Grant County Weed Board

# Activity Director Position Available

Dakota Hill Housing, Elgin, has an immediate part-time position open in the activity department. The position is for approximately 40 hours in a pay period. Must be able to work days, one evening a week and two weekends a month. Also, must be available to fill in upon request. The person applying should be creative, be a good motivator, work well with crafts and be good at bulletin boards and planning events. The activity director and residents are very involved together, therefore, apply only if you enjoy being around the silver-haired generation. For a job application and further information, contact Jacque Bauer at 701-584-3266 or apply at Dakota Hill, 606 Dakota St. N., Elgin, ND 58533. Interviews will begin June 18, 2012.
