PUBLIC SERVICE COMMISSION

Re: North Dakota Intrastate Access Coalition-North Dakota Tariff No. 1

Dear Mr. Nitschke:

John Staurulakis, Inc. (JSI) is filing an original and seven (7) copies of the Table of Contents pages which is part of the new Intrastate Access Tariff that was filed with this Commission on May 15, 2012, and May 16, 2012 on behalf of the Issuing Carriers indicated in Attachment 1 to this transmittal letter, also referred to as the North Dakota Intrastate Access Coalition. Sections 1 through 16 were filed with the Commission on May 15, 2012, and due to technical difficulties, Section 17-Rate Sections were filed with the Commission on May 16, 2012. Due to an inadvertent oversight, the Table of Contents was not filed yesterday with Section 17 as intended.

Again, the purpose of this filing is to reflect recently enacted FCC rules pursuant to the FCC's Report and Order and Further Notice of Rulemaking, Docket No. WC Docket No. 10-90, *et al.*, FCC 11-161 (Released November 18, 2011).¹ The FCC's Rules in this Order became effective on December 29, 2011. This tariff filing establishes a new Intrastate Access Tariff for all of the Issuing Carriers, and supersedes and cancels any affiliation or concurrences that may currently exist between the Issuing Carriers and any other existing Intrastate Access Tariff, effective July 1, 2012.

The following tariff pages are included in this filing:

North Dakota Intrastate Access Coalition-North Dakota Tariff No. 1

¹ *In the matter of Connect America Fund, A National Broadband Plan for Our Future, Establishing Just and Reasonable Rates for Local Exchange Carriers, High Cost Universal Support, Developing an Unified Intercarrier Compensation Regime, Federal State Joint Board on Universal Service, Lifeline and Link-Up, Universal Service Reform Mobility Fund, Report and Order and Further Notice of Proposed Rulemaking, Docket Nos. WC Docket No. 10-90, et al., FCC 11-161, Released November 18, 2011 ("ICC Reform Order").*

Mr. Darrell Nitschke
Executive Secretary

Table of Contents

The specific tariff pages that make up this entire tariff filing are identified on the Check Sheets contained in the Table of Contents of this tariff. This tariff filing is made under authority of Chapter 49-21-01 and Chapter 49-21-04. The Issuing Carriers propose an effective date of this new Intrastate Access Tariff of July 1, 2012.

As noted in previous transmittals related to this tariff filing, the Issuing Carriers as defined in Attachment 1 are all rate-of-return carriers.

JSI is mailing a hard copy of the Table of Contents pages to the Commission today, via overnight mail, for delivery to the Commission tomorrow, May 18, 2012. With this mailing, you will find enclosed a copy of this transmittal letter marked "File Stamp Copy" to be stamped and returned to JSI as confirmation that the hard copies of this filing have been received by the Commission as well. Please return the stamped copy of this transmittal letter in the envelope provided for this purpose.

If there are any questions regarding this filing, please feel free to contact me at (301) 459-7590 or at kcartmell@jsitel.com.
