Re: North Dakota Intrastate Access Coalition-North Dakota Tariff No. 1
Issuing Carriers-Application for Trade Secret Protection

Dear Mr. Nitschke:

John Staurulakis, Inc. (JSI) is filing an original and seven (7) copies of the attached SECOND REVISED Attachment 1 which should replace the REVISED Attachment 1 that was submitted with the Application for Trade Secret Protection (Application) filed with this Commission on May 17, 2012 by JSI, on behalf of the Issuing Carriers indicated in REVISED Attachment 2 to the Application. (The Issuing Carriers are also referred to as the North Dakota Intrastate Access Coalition.) As noted in the transmittal letter submitted with the Application, the Application filing was made in conjunction with the new North Dakota Intrastate Access Tariff No. 1 (NDIAT) that was also filed on May 15, 2012 with the Commission on behalf of the Issuing Carriers.¹

On May 29, 2012, JSI filed to add Dickey Rural Access to the NDIAT as an Issuing Carrier, due to its status as a rate of return carrier in the state of North Dakota. As a consequence of adding Dickey Rural Access to the NIDAT, rates were designed based upon information that Dickey Rural Access believes to be confidential. Accordingly, JSI is now filing to add the confidential financial information for Dickey Rural Access to the pending Application originally filed on behalf of the Issuing Carriers by JSI on May 15, 2012.

Additionally, and upon further review of the work papers and rates associated with the NDIAT that were submitted with the Application as Original Attachment 1 and

¹ The purpose of this filing is to reflect recently enacted FCC rules pursuant to the FCC's Report and Order and Further Notice of Rulemaking, Docket No. WC Docket No. 10-90, *et al*, FCC 11-161 (Released November 18, 2011). The FCC's Rules in this Order became effective on December 29, 2011.

REVISED Attachment 1, it was determined that the rates and the supporting work papers for several Issuing Carriers were in error. Accordingly, those errors have been corrected, and we are submitting today the SECOND REVISED Attachment 1 which is intended to replace the REVISED Attachment 1, in its entirety, that was filed with this Commission on May 17, 2012. The SECOND REVISED Attachment 1 includes new work papers associated with Dickey Rural Access, as well as corrects the errors noted above. Please discard the REVISED Attachment 1 work papers in an appropriate manner, in light of the confidential nature of this information.

JSI is mailing a hard copy of the SECOND REVISED Attachment 1 to the Commission today, via overnight mail, for filing with the Commission on Thursday, May 31 2012. With this mailing, you will find enclosed a copy of this transmittal letter marked "File Stamp Copy" to be stamped and returned to JSI as confirmation that these hard copies of the Revised Attachment 1 filing have been received by the Commission. Please return the stamped copy of this transmittal letter in the envelope provided for this purpose.

If there are any questions regarding this filing, please feel free to contact me at (301) 459-7590 or at kcartmell@jsitel.com.

Sincerely,

Kenneth T. Cartmell
Manager-JSI Regulatory Affairs
