Re: North Dakota Intrastate Access Coalition-  
North Dakota Tariff No. 1-Revised Section 17 Rates Sheets

Dear Mr. Nitschke:

John Staurulakis, Inc. (JSI) is filing an original and seven (7) copies of the enclosed revised Section 17 Rate Sheets that are part of the new North Dakota Intrastate Access Tariff No. 1 (NDIAT) that was filed on behalf of the Issuing Carriers indicated in Attachment 1 to this transmittal letter, also referred to as the North Dakota Intrastate Access Coalition. Again, the purpose of this filing is to reflect recently enacted FCC rules pursuant to the FCC's Report and Order and Further Notice of Rulemaking, Docket No. WC Docket No. 10-90, *et al.*, FCC 11-161 (Released November 18, 2011).<sup>1</sup>

As you know, this tariff was originally filed with the North Dakota Public Service Commission (NDPSC or Commission) on May 15, 16, and 17, 2012, with revisions filed on June 5 and 14, 2012. However, we have recently discovered some additional errors with the Section 17 Rate Sheets that we would like to correct at this time. The errors range from typographical errors to modified rates for some companies.

The following tariff pages are included in this filing:

North Dakota Intrastate Access Coalition-North Dakota Tariff No. 1  
Section 17 Rate Sheets for:

---

<sup>1</sup> *In the matter of Connect America Fund, A National Broadband Plan for Our Future, Establishing Just and Reasonable Rates for Local Exchange Carriers, High Cost Universal Support, Developing an Unified Intercarrier Compensation Regime, Federal State Joint Board on Universal Service, Lifeline and Link-Up, Universal Service Reform Mobility Fund, Report and Order and Further Notice of Proposed Rulemaking, Docket Nos. WC Docket No. 10-90, et al., FCC 11-161, Released November 18, 2011 ("ICC Reform Order").*

The specific tariff pages being filed are identified on the Check Sheets contained in the Table of Contents of this tariff. This tariff filing is made under authority of Chapter 49-21-01 and Chapter 49-21-04. The Issuing Carriers propose an effective date of this new Intrastate Access Tariff of July 1, 2012.

Attachment 2 to this transmittal letter provides a detailed account of exactly what revisions have been made to the Section 17 Rate Sheets being submitted today, when compared to the version of these rate sheets previously filed with this Commission, as well as identifies specifically which pages have been revised. In light of the fact that only one rate sheet is being revised at this time for each company noted above, only those revised rate sheets are being filed today.

Additionally, and as you know, in a Letter Order issued by the NDPSC on May 3, 2012, the Commission delineated a list of specific supporting information that must be provided with this tariff filing. A portion of this information has been determined to be confidential, and was submitted to this Commission in a separate filing of an Application for Trade Secret Protection. Only the rate sheet revisions regarding Dickey Rural Access that are being filed today will impact the confidential worksheets that were previously filed with this Commission. A revised Dickey Rural Access confidential worksheet will be filed this week as well.

This tariff filing is being filed electronically, and it consists of four (4) electronic files. The first, second and third files contain this transmittal letter and the two (2) Attachments to the transmittal letter as described above. The fourth file contains the Section 17 Rate Sheets revisions for the companies noted above. Please respond via email with a notification indicating that this filing has been received by the Commission.

As a final point, JSI will be mailing the hard copies of the tariff filing as noted above, to the Commission today, via overnight mail, for delivery to the Commission tomorrow, June 21, 2012. With that mailing, you will find enclosed a copy of this transmittal letter marked "File Stamp Copy" to be stamped and returned to JSI as confirmation that the hard copies of this filing have been received by the Commission as well. Please return the stamped copy of this transmittal letter in the envelope provided for this purpose.
