RE: Balta Substation to McHenry Substation  
230 kV "DV" Transmission Line Clearance Issues  
Case Number PU-13-225

Dear Mr. Nitschke:

Per the Commission's request (letter dated January 7, 2013), this letter is to notify the Commission that the work on the DV Transmission line was completed on February 12, 2014 and the NESC clearance requirements have been met.

Please let me know if you need additional information regarding the replacement of these structures on the Balta Substation to McHenry Substation 230 kV "DV" Transmission Line. I can be reached at 763-445-5215, or by email at [mparlow@greenergy.com](mailto:mparlow@greenergy.com).

Thank you for your attention to this important transmission project.

Respectfully submitted,

GREAT RIVER ENERGY
