PUBLIC SERVICE COMMISSION

Re: McLeodUSA Telecommunications Services, L.L.C. d/b/a PAETEC Business Services
North Dakota Access Tariff No. 3

Dear Executive Secretary:

Enclosed are an original and one (1) copy of revisions to McLeodUSA Telecommunications Services, L.L.C. d/b/a PAETEC Business Services' ("McLeodUSA") North Dakota Access Tariff No. 3. Also, a soft copy (PDF format) of this proposed revision was emailed to ndpsc@nd.gov. The purpose of this filing is to implement Step 1 access reductions of the Federal Communications Commission ICC Order released November 18, 2011. For this filing McLeodUSA will keep it's current rate structure and the required rate reductions have been calculated using the FCC approved form for Price Cap Carriers. A public redacted copy of this form is included for supporting documentation. Sheet Nos. 68 and 71 have been revised. The Check Sheet (Sheet No. 1) was modified accordingly.

The company requests that this filing become effective on July 3, 2012. Please call me at 501-748-6856 or email at christopher.l.cranford@windstream.com if you have any questions regarding this filing.

Sincerely,

Chris Cranford
