

STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION

Public Service Commission,

Case No. PU-12-303

Complainant,

vs.

Kindred Plumbing and Heating, Inc.

Respondent.

COMPLAINT

The North Dakota Public Service Commission Staff (Staff), for its complaint against Kindred Plumbing and Heating, Inc., alleges and shows the following:

I

Kindred Plumbing and Heating, Inc. (Kindred Plumbing) is a North Dakota corporation with principle offices at 302 Woodlawn Drive, Kindred, ND 58051-0025.

II

Otter Tail Power Company (Otter Tail) is wholly owned subsidiary of Otter Tail Corporation, a Minnesota corporation with principle offices at 215 South Cascade Street, Fergus Falls, MN 56538-0496.

III

On June 15, 2012, Otter Tail filed a Third Party Damage Complaint form with the Public Service Commission (Commission). The Complaint form filed by Otter Tail and an affidavit of Patrick Fahn, Director of Compliance and Competitive Markets, North

Dakota Public Service Commission, are attached as Exhibit 1. Otter Tail alleged a violation by Kindred Plumbing of North Dakota Century Code Chapter 49-23.

IV

As part of the Third Party Damage Complaint, Otter Tail included documentation proving that Kindred Plumbing obtained North Dakota One Call (One Call) ticket number 12076901 on Friday, June 8, 2012 at 2:42 PM for work to begin on June 12, 2012 at 2:45 PM.

V

As alleged by Otter Tail, an Otter Tail employee went to locate the path of Otter Tail's facilities with pin flags and paint between 8:30 and 9:00 AM on Monday, June 11, 2012. When the employee arrived, the trench was already dug in violation of the North Dakota Century Code.

VI

North Dakota Century Code § 49-23-04(1) states:

Except in an emergency, an excavator shall contact the notification center and provide an excavation or location notice at least forty-eight hours before beginning any excavation, excluding Saturdays, Sundays, and holidays, unless otherwise agreed to

VII

Kindred Plumbing violated North Dakota Century Code Chapter 49-23 by failing to wait forty-eight hours before beginning its excavation. Note that because Kindred Plumbing called on a Friday afternoon and weekends are excluded from the 48 hour waiting period, Kindred Plumbing was not authorized to begin work until Tuesday afternoon. Kindred Plumbing began the excavation prior to Monday, June 11, 2012.

VIII

The North Dakota Public Service Commission Damage Prevention Plan states:

D PROPOSED CIVIL PENALTIES:

1. The following criteria must be used by Commission staff to determine if a civil penalty should be proposed when filing a formal complaint:
 - a. The nature, circumstances and severity of the complaint;
 - b. The degree of suspected fault on the part of the respondent;
 - c. The respondent's history of prior violations or complaints;
 - d. The respondent's ability to pay;
 - e. Any good faith effort by the respondent in attempting to achieve compliance; and
 - f. The effect the penalty may have on the respondent's ability to continue in business.

IX

North Dakota Century Code § 49-07-01.1 states:

Any person who violates any statute, commission order, or commission rule which applies to matters within the authority of the commission under chapters 8-08, 8-09, 8-10, 24-09, 32-25, and 51-05.1, titles 60 and 64, and title 49 except for chapter 49-22, shall, in addition to any other penalty provided, be subject to a civil penalty of not to exceed five thousand dollars. The civil penalty may be compromised by the commission. The amount of the penalty when finally determined or agreed upon in compromise, if not paid, may be recovered in a civil action in the courts of this state.

X

By its June 19, 2012 letter, Staff informed Kindred Plumbing of Otter Tail's third party damage complaint filing, and asked for a response to the complaint of Otter Tail by July 6, 2012. As of this date, Kindred Plumbing has not responded to the Staff with Kindred Plumbing's version of events.

XI

Commission records indicated that two previous complaints have been filed regarding this excavator, both originated by Otter Tail. In Case No. PU-10-649, Kindred Plumbing failed to obtain a locate ticket and damaged electrical lines. Kindred Plumbing signed a consent order and paid a \$1,000 fine. In Case No. PU-11-298, due to a dispute concerning the need for a locate ticket, Otter Tail withdrew the complaint.

XII

In this case, Kindred Plumbing has not made a good faith effort to comply with North Dakota Century Code Chapter 49-23. In addition, Kindred Plumbing has refused to offer an explanation of events or contact the Staff to work through a consent order.

XIII

North Dakota Century Code section 28-32-21(e) requires that an answer to this complaint must be served upon the Commission within twenty days after service of the complaint, or the Commission may deem the complaint to be admitted. If Kindred Plumbing fails to answer within twenty days after service of the complaint, the

Commission may deem the Complaint admitted. Answers must be served in the manner allowed for service under the North Dakota Rules of Civil Procedure.

Prayer for Relief

Wherefore, Public Service Commission Staff seeks the following relief:

1. That the Commission find Kindred Plumbing in violation of North Dakota Century Code Chapter 49-23 for failing to comply with the One Call procedures outlined in North Dakota Century Code § 49-23-04.
2. That the Commission impose a civil penalty in the amount of \$1,500.00.
3. Such other relief that the Commission finds just and proper.
