PU-12-398**

**RECEIVED**

SEP 19 2012

TO: Donna Stephenson, Great River Energy  
Mark Gruman, Public Service Commission

**PUBLIC SERVICE COMMISSION**

**NOTICE OF PREHEARING CONFERENCE**

PLEASE TAKE NOTICE that a prehearing conference will be held at 10:00 a.m. on Friday, September 28, 2012. The prehearing conference will be conducted by telephone conference call using the PSC telephone bridge, 701-328-0800, participant code #530213.

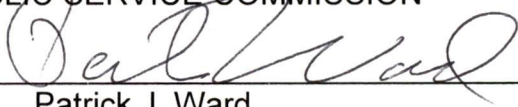

The purposes of the prehearing conference are to review and as necessary discuss with counsel matters concerning the preparation for and conduct of the hearing, including the specification of the issue or issues, expected discovery proceedings, anticipated witnesses and whether any witness will testify by telephone, likely exhibits, other preliminary matters, and the scheduling of the hearing. The parties may also request a determination concerning any question or problem regarding preparation for, or the conduct of, the hearing. All pro hac vice applications should be submitted prior to the prehearing conference, if possible.

A record of the prehearing conference will be made by electronic recording. A notice of hearing and prehearing order will be issued following the prehearing

conference scheduling the hearing and addressing any other matters discussed at the prehearing conference.
