Subject: PU- 12-398 GD Line Construction Update 3/15/2013

Construction update for the week ending March 22th:

- Snow removal on both segments.
- Crary:
Wire strung and clipped in between structures 554 to 557.
- Lakota:
Dead-End Structures 449 and 459 were set.
Anchors were set on three structures.
Guys were hung on four structures.
Started to string ropes between structures 454 and 459.

If you have any questions please contact me.
