RE: Compliance Filing for Prairie Substation to Ramsey Substation 230 KV "GD" Line
As-Builts and GPS Data
Case Number PU-12-398

Dear Mr. Nitschke:

On December 12, 2012, the Commission issued Certificate of Compatibility No. 140 to Great River Energy for the reroute of the GD Line Project near Ramsey and Crary, North Dakota.

Great River Energy respectfully submits (via efilng and US Postal) this compliance filing per Condition 34: the final As-Builts and GPS data for all above ground structures associated with the transmission line. Tree planting is commencing this spring and annual inspection reports of those plantings will be submitted in the future.

Please let me know if there is additional information required or if you have any questions regarding this compliance filing.

Respectfully Submitted,

GREAT RIVER ENERGY
