ORDER APPROVING ELECTRIC SERVICE AREA AGREEMENT

September 27, 2012

On June 27, 2012, Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. (MDU) and Mor-Gran-Sou Electric Cooperative, Inc. (Mor-Gran-Sou) filed a joint application for approval of a Service Area Agreement to establish service areas and designate service locations to be served by MDU and Mor-Gran-Sou within and around the City of Mandan, North Dakota. MDU further requests the Commission issue a certificate of public convenience and necessity (Case No. PU-12-515) authorizing MDU to extend service under the agreement to customers outside the city of Mandan.

On August 1, 2012 the Commission issued a Notice of Filing, Notice of Informal Hearing and Notice of Opportunity for Hearing, which provided until September 5, 2012 for receiving written comments or hearing requests. No response has been received. The notice identified the issues to be considered in this proceeding as whether the Service Area Agreement complies with section 49-03-06 of the North Dakota Century Code, and whether the approval of the Service Area Agreement and resulting certificate issuance are compatible with the public interest.

On August 29, 2012 the Commission discussed the issues with Commission staff and the applicants at an informal hearing. The applicants contend that the agreement will:

1. Avoid misunderstanding and disagreement over areas to be served by each party,
2. Accomplish the legislative intent of N.D.C.C. section 49-03-06 to encourage harmony and operational efficiency among electric providers, promote safety, discourage unreasonable duplication of electric facilities, assure adequate and reliable electric service and provide antitrust immunity to the electric providers, and
3. Provide both parties with equitable participation in the provision of electric distribution service within undeveloped areas annexed to the City of Mandan during the term of the agreement.

Having considered this matter the Commission finds that the Service Area Agreement complies with N.D.C.C. section 49-03-06 and that approval of the Service Area Agreement and resulting certificate issuance are compatible with the public interest. Therefore, the Commission issues the following:

Order

The Commission Orders:

1. The electric service area agreement filed jointly by Montana-Dakota Utilities Co. and Mor-Gran-Sou Electric Cooperative, Inc. is APPROVED.
2. Montana Dakota Utilities Co. is issued Certificate of Public Convenience and Necessity No. 5484 authorizing the provision of electric service to customers within the agreed upon service area around the city of Mandan.
