Date: June 27, 2012

¹ Section 54.202(a)(2) requires ETCs to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."

ETC Annual Reporting Requirements 47 CFR §54.313(a)(2) through (a)(6) and (h)

Section 2: State-Designated ETC Reporting

In its *Clarification Order*, the FCC required state-designated ETCs that are subject to a state requirement to report to the state some or all of certain information annually, to file a copy of any relevant information with the FCC in 2012.² Specifically, state-designated ETCs must file information concerning outages, unfulfilled requests, and complaints as required in Section 54.313(a)(2)-(4) of the FCC's rules if the state requires ETCs to report some or all of this data.

Select one of the following:

Dickey Rural Access, Inc. is located in North Dakota. This state commission's rules do not require state-designated ETCs to file an annual report containing some or all of the following information: information concerning outages, unfulfilled requests and/or complaints. Accordingly, the Company is not subject to this reporting requirement.
