**Case No. PU-12-500**

**NOTICE OF OPPORTUNITY FOR HEARING**

**August 1, 2012**

On July 13, 2012 True Wireless, LLC (True Wireless) filed an Application for Designation as an eligible telecommunications carrier (ETC) for the purpose of receiving federal universal service support for low-income consumers under 47 CFR Part 54 Subpart E. Such designation is also known as Lifeline-only ETC designation. True Wireless proposes to provide prepaid Lifeline universal services to qualifying low income customers as a commercial mobile radio service (CMRS) carrier in North Dakota wire centers currently served by Qwest Corporation and SRT Communications, Inc.

The issues to be considered in this matter are:

1. Qualification of the applicant under the Telecommunications Act of 1996, Section 214(e) for designation as an ETC eligible to receive federal universal service funding.
2. What ETC universal service support area should be designated.
3. The public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by September 14, 2012.** If deemed appropriate, the Commission can determine the matter without a formal hearing.
