I've reviewed the attached application. We felt it was in the consumer's best interest in this case to be served by Xcel Energy do to the much closer proximity of their facilities as compared to ours. We will not protest this application and would support its approval.

Subject: Temporary Authority Permit

Please find attached a request from Xcel Energy for temporary authority to extend electric services to Larry Linneman in Traill County, North Dakota.

Please review this request as soon as possible and let me know whether the Cooperative will protest the application.

Thank you for your attention in this matter.
