Tariff Access Charge: FCC ICC/USF Reform Order

Dear Sir/Madam:

Our client, France Telecom Corporate Solutions L.L.C. ("FTCS"), is a CLEC authorized to provide services in New Mexico under Certificate No. 954. FTCS operates on a "pure resale" basis, *i.e.*, it does not own or control any telecommunication facilities, and it does not purchase unbundled network elements.

Because FTCS is a non-facilities based provider, it does not provide access services, it does not collect access charges, and it does not have an access tariff on file with the Commission.

As such, we believe that an Order to update FTCS' tariff to conform with the FCC's ICC/FCC Reform Order is not applicable.

Kindly direct any questions regarding this filing to the undersigned.

Regards,

William K. Coulter
