Re: Basin Transload, LLC
OAH File No. 20130241

Dear Ms. Jeffcoat-Sacco:

On July 29, 2013, I presided as a procedural administrative law judge in the matter of Basin Transload, LLC, PSC Case No. PU-12-675. The hearing is closed.

Please find enclosed the Exhibits and other documents which were received while the file has been in our possession.

The Exhibits received in evidence at the hearing are: Exhibits 1-8, for Basin Transload, and Exhibits A and B, which were submitted by Dale Reinhardt, a member of the public who testified at the hearing. There will be one late-filed Exhibit (9), which was admitted. Exhibit 9 will be technical data concerning the abandoned Indianhead Mine, identifying the boundaries of the mine within the corridor.

The record remains open to receive the late-filed exhibit, and will be determined closed upon receipt of Exhibit 9. However, I see no need to retain the file in this office. Accordingly, I am closing our file on this matter.

Please let me know if you have any questions. Thank you for your attention to this matter.

Sincerely,

Bonny M. Fetch
Administrative Law Judge
