## NORTH DAKOTA ONE-CALL

You can check that the ticket information and mapping location are correct, and that no work will take place outside the area indicated on the map, by [clicking on the TicketLINK](#). Should any changes be needed, you can use the 'Update' or 'Correct' Ticket functions on ITIC.

The map is ONLY used to determine which facility operators may have facilities in your dig area. The Utilities do NOT receive a copy of this map. The precise excavation area and scope of work MUST be described in the extent of work field on the ticket.

The [TicketLINK](#) may also be used to view utility status, request a 'Relocate' or 'Cancel' a request. If you have any questions, call 563-884-7762.
