Hi Patrick,  
Missouri Valley Communications, Inc. is in agreement to go with the wavier of getting 3, 000 numbers. This will work for us at this time, and as stated if we exceed those numbers we will make another request for more numbers if that should happen.

Thanks,  
Jodie Richardson

Jodie,  
Thank you for the information.

Based on the information, I suggest a waiver to provide 3,000 numbers, 1000 for the current customer 2,000 for the coming 12 months. If growth exceeds that, Missouri Valley could certainly make another request for numbers. Does this seem workable to Missouri Valley? If so, I will prepare a draft order for action at the October 10 Commission meeting.

Hi Patrick,

I am in a meeting, but did get some answers for you. The company that is requesting the 1000 numbers won't be ready for about 2 weeks, they are waiting for some trenching within their company.

As far as how many requests we have had a total of 9 for the year so far, and they have requested 100 or more lines, several were for 200-250 at one time.

Hope this helps for your meeting. I will be in mine until noon our time, and then back in the office at 1:00 (MT time)

Thanks,  
Jodie
